Bamberg Ma Stab 1 15 :

Stauffenberg Peter Hoffmann, 1997-08-28 This book examines the extraordinary personality of Claus Count Stauffenberg a key figure in the 1944 coup attempt against Hitler Stauffenberg s personality is thrown into relief by a study of his two brothers and other family members and friends The three Stauffenberg brothers Berthold Alexander and Claus were inseparable both emotionally and intellectually Their view of human existence was rooted in their south German aristocratic background in classical antiquity and in Christian culture This family biography describes how the brothers professions and their political and military environments led them to take fundamental positions on their government s and Hitler s tyranny Inevitably the book focuses on Claus Count Stauffenberg s military career and his fight to overthrow Hitler culminating in the attempted assassination and coup of 20 July 1944 No other work has yet probed Stauffenberg s life and mind so deeply or has offered such a comprehensive account of resistance to Hitler at the highest administrative level

Stauffenberg Peter Hoffman, 2008-12-05 The attempt to assassinate Hitler is widely acknowledged but few are aware of the individuals involved In this detailed family history Peter Hoffmann reveals the tragic and heroic life of Claus Count Stauffenberg German aristocrat and would be assassin of Adolph Hitler Hoffmann details Stauffenberg s formative years showing how his relationship with his brothers Berthold and Alexander their association with the circle of the poet Stefan George and their professional and political development led them to resist the tyranny of Hitler and the German government first through established channels but culminating in the attempted assassination and coup of 20 July 1944 Stauffenberg is based on a comprehensive collection of sources including family papers correspondence and information from numerous contemporaries as well as a unique collection of illustrative material Hoffmann s knowledge of Stauffenberg was sought for the highly anticipated feature film *Valkyrie* for which he served as an advisor This revised edition includes a new preface by Hoffman and important information he has uncovered since the book was first published **Popular Opinion and Political**

Dissent in the Third Reich Ian Kershaw, 1983-02-17 Now updated with a new introduction and bibliography Ian Kershaw s classic study of popular responses to Nazi policy and ideology explores the political mentality of ordinary Germans in one part of Hitler s Reich Basing his account on many unpublished sources the author analyses socio economic discontent and the popular reaction to the anti Church and anti Jewish policies of the Nazis and reveals the bitter divisions and dissent of everyday reality in the Third Reich in stark contrast to the propaganda image of a National Community united behind its leaders The focus on one particular region makes possible a depth of analysis that takes full account of local and social variations and avoids easy generalization but the findings of this study of ordinary behaviour in a police state have implications extending far beyond the confines of Bavaria or indeed Germany in this period *Stauffenberg, Second Edition* Peter Hoffman, 2003-08-19 No detailed description available for Stauffenberg Second Edition , [Bamberger Volksblatt](#) , 1898 **Bamberger neueste Nachrichten** , 1894 [Das sozialistische Milieu in Bamberg während der Weimarer](#)
