Behind Concrete Doors:

Behind My Locked Door Reed Marlowe, 2025-05-31 Behind My Locked Door The Stranger in My Home A Gripping Psychological Thriller by Reed Marlowe What if you came home and something felt off A photo slightly moved A scent you don't wear A door you never leave open When Anna Whitlock returns from a quiet weekend away she begins to notice subtle chilling signs that someone has been inside her house But nothing is missing only her sense of safety As the days pass the intrusions grow bolder more personal and far more dangerous This 80 000 word psychological thriller will keep you breathless until the final page What awaits inside A twisty tale of paranoia fear and discovery A haunting psychological battle that tests Anna's sanity A masked intruder with a terrifying connection to her past A secret space behind her locked door and the truth that hides there A slow burning mystery perfect for fans of *You* by Caroline Kepnes and *The Silent Patient* by Alex Michaelides Get the full PDF eBook now and experience the tension wherever you read Prefer holding the suspense in your hands Order the paperback here <https://tinyurl.com/29um4top> Behind the Door Mary SanGiovanni, 2018-08-28 Occult specialist Kathy Ryan returns in this thrilling novel of paranormal horror from Mary SanGiovanni the author of *Chills* Some doors should never be opened In the rural town of Zarepath deep in the woods on the border of New Jersey and Pennsylvania stands the Door No one knows where it came from and no one knows where it leads For generations folks have come to the Door seeking solace or forgiveness They deliver a handwritten letter asking for some emotional burden to be lifted sealed with a mixture of wax and their own blood and slide it beneath the Door Three days later their wish is answered for better or worse Kari is a single mother grieving over the suicide of her teenage daughter She made a terrible mistake asking the powers beyond the Door to erase the memories of her lost child And when she opened the Door to retrieve her letter she unleashed every sin secret and spirit ever trapped on the other side Now it falls to occultist Kathy Ryan to seal the door before Zarepath becomes hell on earth Praise for the novels of Mary SanGiovanni A feast of both visceral and existential horror F Paul Wilson on *Thrall* Filled to the brim with mounting terror Gary A Braunbeck on *The Hollower* A fast building high tension ride James A Moore on *The Hollower* Behind the Door Paul Kropp, 2007-09 12 16 yrs Deliberation Behind Closed Doors Daniel Naurin, 2007-12-01 Do transparency and publicity have the power to civilise politics In deliberative democratic theory this is a common claim Publicity it is argued forces actors to switch from market style bargaining to a behaviour more appropriate for the political sphere where the proper way of reaching agreement is by convincing others using public spirited arguments Daniel Naurin has conducted the first comprehensive analysis and test of the theory of publicity's civilising effect The theory is tested on business lobbyists presumably the most market oriented actors in politics acting on different arenas characterised by varying degrees of transparency and publicity Innovative scenario interviews with lobbying consultants in Brussels and in Stockholm are compared and contrasted with a unique sample of previously confidential lobbying letters The results are both disappointing and encouraging to deliberative democratic theorists While

the positive force of publicity seems to be overrated it is found that even behind closed doors business lobbyists must adapt to the norms of the forum

The stories in Behind the

Open Door journey into many and varied realms delving into the haunting reaches of the imagination Behind Closed Doors Amanda Vickery, 2009-11-17 From the award winning author of *The Gentleman's Daughter* a witty and academic illumination of daily domestic life in Georgian England In this brilliant work Amanda Vickery unlocks the homes of Georgian England to examine the lives of the people who lived there Writing with her customary wit and verve she introduces us to men and women from all walks of life gentlewoman Anne Dormer in her stately Oxfordshire mansion bachelor clerk and future novelist Anthony Trollope in his dreary London lodgings genteel spinsters keeping up appearances in two rooms with yellow wallpaper servants with only a locking box to call their own Vickery makes ingenious use of upholsterer's ledgers burglary trials and other unusual sources to reveal the roles of house and home in economic survival social success and political representation during the long eighteenth century Through the spread of formal visiting the proliferation of affordable ornamental furnishings the commercial celebration of feminine artistry at home and the currency of the language of taste even modest homes turned into arenas of social campaign and exhibition The basis of a 3 part TV series for BBC2 Vickery is that rare thing an historian who writes like a novelist Jane Schilling Daily Mail Comparison between Vickery and Jane Austen is irresistible This book is almost too pleasurable in that Vickery's style and delicious nosiness conceal some seriously weighty scholarship Lisa Hilton The Independent If until now the Georgian home has been like a monochrome engraving Vickery has made it three dimensional and vibrantly colored Behind Closed Doors demonstrates that rigorous academic work can also be nosy gossipy and utterly engaging Andrea Wulf New York Times Book Review **Behind Closed Doors** Liz Strange, 2022-06-07 Ivan Holmes life is picture perfect to the public eye but behind closed doors lies a web of deceit and exploitation A former client comes to David asking for help in finding a valuable painting that went missing in the wake of a sensationalized murder investigation On the surface there is no clear connection between the two events but the deeper David digs the clearer it becomes that the victim was not the charitable moral man he seemed The case has ties to international trade local government officials and the small mining town of Flin Flon Manitoba Yet most surprising is the link to a piece of David's past for which he has never been able to find closure Behind the Red Door Megan Collins, 2021-05-18 When Fern Douglas sees the news about Astrid Sullivan a thirty four year old missing woman from Maine she is positive that she knows her Fern's husband is sure it's because of Astrid's famous kidnapping and equally famous return twenty years ago but Fern has no memory of that even though it happened an hour outside her New Hampshire hometown where she's returning for the week to help her father pack for a move And when Astrid appears in Fern's recurring nightmare one in which a girl reaches out to her pleading Fern fears that it's not a dream at all but a memory Back home in New Hampshire Fern purchases a copy of Astrid's recently published memoir Behind the Red Door which may have provoked her original kidnapper to abduct her again and as Fern reads through its chapters visits the people and places within it she discovers more evidence that she has an unsettling connection to the missing woman As her search becomes

increasingly desperate she hopes to remember her past so she can save Astrid in the present before it's too late **The Protector** David Morrell, 2011-10-28 The secret weapon developed by the man Cavanaugh is assigned to protect is like Kryptonite to the former Delta Force officer turned security guard it multiplies the effects of adrenaline a hormone associated with fear so it incapacitates instead of energizing him A lot of people want Daniel Prescott's secret but Cavanaugh who's felt the drug's effects wants his antidote When Prescott disappears after causing the death of the Global Protective Services team charged with keeping him alive Cavanaugh and his wife Jamie go after him in a high speed chase that traps them between government agents and foreign operatives each racing to find the scientist first and kill him before he can use his formula on them Despite Prescott's double dealing and the bloody battle in a mountain redoubt that results in the deaths of his friends and colleagues Cavanaugh knows the only way to banish the fear that may compromise his and Jamie's own safety is to track the elusive scientist to his last refuge In this propulsive thriller Morrell turns the tables so often that it's hard to separate the good guys from the bad ones but that won't keep readers addicted to violence treachery and high tech weaponry from staying with it to the last surprising chapter Spectacular action backed by the author's hands on research a horrifying climax twists and turns one of the best of the genre Associated Press Everything Morrell writes has a you are there quality and that coupled with his ability to propel characters through a scene makes reading him like attending a private screening Washington Post Book World Impressive action plenty of twists most notable though is the advertised tradecraft from clever ways to modify one's ammo and armor to the very best method of taking out a car you're chasing Publishers Weekly The story accelerates to warp speed hurtles to a stunning climax A wonderfully entertaining action adventure Booklist
