

Budget 101 for School Fundraising Groups

Preparing and having the board or membership approve an annual budget and program plan is one of the most important legal responsibilities of nonprofit groups. A parent-led fundraising group budget may be fairly simple, setting forth the main sources of income, and the expected amounts for each, and the main categories of expenses and amounts of each. Reports should be prepared regularly throughout the year that show actual income and expenses compared to the budget. For example, a simple school fundraising group budget might look like the following:

A Parent's Guide to School Band Programs The Open The Open Courses Library, 2019-11-21 A Parent's Guide to School Band Programs At the elementary level students and their families rarely have any choice regarding the music education available to them during the school day The typical public school district or private school will offer at best general music instruction several times a week with very limited opportunities to play instruments and at worst may offer no music instruction at all Parents or motivated students who want more at this age will have to look into private lessons or other musical opportunities outside of school Please note that it is not necessary to start your child very early on an instrument particularly if band is going to be your primary focus With the exception of soprano and alto recorders wind instruments are frustrating for small children to learn because of their size and because of the breath control necessary to get good sounds At the typical beginners band age on the other hand most students are physically and developmentally ready to play an instrument and at this age talented and motivated students will quickly catch up to anyone who has a head start
