Belief And Power In Myth E Singles:

Myth, Ritual & Religion (Two Volumes in One) Andrew Lang, 2011-12-01 First published in 1887 this early work of comparative mythology remains a vital resource to students and devotees of ethnography history and world legends Lang's stunningly comprehensive overview of pre scientific thinking provides an important perspective on the worldviews that molded and continue to influence modern thought It is presented here as an omnibus edition In volume one Lang describes the differences between mythology and religion discusses the problems of seeking the origins of the belief in a deity and examines totemism nature myths and creation stories from around the globe Volume two explores the concept of the divine as it has manifested itself around the world examines the importance of ritual and delves particularly into the mythologies of ancient Egypt Greece Mexico and India to demonstrate how imaginative ideas about gods have shaped humanity Scottish journalist and author ANDREW LANG 1844 1912 a friend of Robert Louis Stevenson produced a stunning variety and number of volumes including books of poetry novels children's books histories and biographies as well as criticism essays scholarly works of anthropology and translations of classical literature *Slave-Wives, Single Women and "Bastards" in the Ancient Greek World* Morris Silver, 2018-01-31 Greek scholars have produced a vast body of evidence bearing on nuptial practices that has yet to be mined by a professional economist By standing on their shoulders the author proposes and tests radically new interpretations of three important status groups in Greek history the pallak the nothos and the hetaira It is argued that legitimate marriage marriage by loan of the bride to the groom was not the only form of legal marriage in classical Athens and the ancient Greek world generally Pallakia marriage by sale of the bride to the groom was also legally recognized The pallak wifeship transaction is a sale into slavery with a restrictive covenant mandating the employment of the sold woman as a wife In this highly original and challenging new book economist Morris Silver proposes and tests the hypothesis that the likelihood of bride sale rises with increases in the distance between the ancestral residence of the groom and the father's household Nothoi the bastard children of pallakai lacked the legal right to inherit from their fathers but were routinely eligible for Athenian citizenship It is argued that the basic social meaning of hetaira companion is not prostitute or courtesan but single woman a woman legally recognized as being under her own authority kuria The defensive adaptation of single women is reflected in Greek myth and social practice by their grouping into packs most famously the Danaids and Amazons [The Routledge Handbook of Translation and Religion](#) Hephzibah Israel, 2022-12-19 The Routledge Handbook of Translation and Religion is the first to bring together an extensive interdisciplinary engagement with the multiple ways in which the concepts and practices of translation and religion intersect The book engages a number of scholarly disciplines in conversation with each other including the study of translation and interpreting religion philosophy anthropology history art history and area studies A range of leading and emerging international specialists critically engage with changing understandings of the key categories translation and religion as discursive constructs thus contributing to the

development of a new field of academic study translation and religion The 28 contributions divided into six parts analyze how translation constructs ideas texts or objects as sacred or for religious purposes often in competition with what is categorized as non religious The part played by faith communities is treated as integral to analyses of the role of translation and religion It investigates how or why translation functions in re constructing and transforming religion s and for whom and examines a range of sacred texts in translation from the written to the spoken manuscript to print paper to digital architectural form to objects of sacred art intersemiotic scriptural texts and where commentary exegesis and translation interweave This
