Zibby Owens *My Most Anticipated Books 2025* In *Children of the Book* Ilana Kurshan reveals how literature weaves an invisible thread through the tapestry of family life Kurshan a mother of five living in Jerusalem struggles to balance her passion for books with her responsibilities as a parent Gradually she learns how to relate to reading not as a solitary pursuit and an escape from the messiness of life but rather as a way of forging connection and teaching independence Introducing her children to sacred and secular literature including the beloved classics of her childhood she becomes both a better mother and a more compassionate reader Chief among the books Kurshan reads with her children is the Torah whose ancient wisdom illuminates her family's path Structured in five parts corresponding to the first five books of the Bible this memoir traces the profound parallels between the biblical narrative and the daily rhythms of parenthood from the first picture books that create the world through language for little babies to the bittersweet moment our children begin reading on their own leaving us behind atop the mountain as they enter new lands without us A luminous meditation on how shared stories become the foundation for family bonds *Children of the Book* celebrates a life richly lived through literature *Memoir of Christopher Healy, Principally Taken from His Own Memoranda* Christopher Healy, 1886 **Love, Please** Susan Hayman-Chaffer, 2013-02-01 *Love Please* is a memoir of a timeless love story between a man and a woman from opposite sides of the world They meet in Tokyo when she is there on tour and each immediately realizes they are soul mates Their story unfolds over a period of seventeen years from the mid seventies to the early nineties chronicling the extraordinary adventure of their lives together Satoru Oishi is a architect and sculptor who works with Jasper Johns and Phillip Johnson Susana Hayman Chaffey is a soloist with the Merce Cunningham Dance Company The backdrop is their Manhattan loft from which they travel around the world making a living any way they can and learning about life through dramatic often humorous ups and downs It is a voyage of love between two people their families friends and children It encourages and inspires us to keep faith in the midst of what seems to be an impossible life journey proving that with courage and determination anything can be accomplished It is a human story told simply and honestly about life and love **The novels of Tobias Smollett.
