A Promised Land A Perilous Journey Theological Perspectives On Migration

Camilla Rothe

A Promised Land A Perilous Journey Theological Perspectives On Migration:

A Promised Land, a Perilous Journey Daniel G. Groody, Gioacchino Campese, 2008 A Christian theological interpretation of the border reality is a neglected area of immigration study The foremost contribution of A Promised Land A Perilous Journey is its focus on the theological dimension of migration beginning with the humanity of the immigrant a child of God and a bearer of his image The nineteen authors in this collection recognize that one characteristic of globalization is the movement not only of goods and ideas but also of people The crossing of geographical borders confronts Christians as well as all citizens with choices between national security and human insecurity between sovereign national rights and human rights between citizenship and discipleship Bearing these global dimensions in mind the essays in this book focus on the particular problems of immigration across the U S Mexico border The contributors to this volume include scholars as well as pastors and lay people involved in immigration aid work Daniel Groody has also produced a documentary on immigration Dying to Live A Promised Land A Perilous Journey offers a rich interdisciplinary treatment of the subject of migration showing the human face of contemporary migration as a global phenomenon The authors explore historical antecedents in Biblical and early church history the political debates about borders and the right to migrate and the role of race ethnicity and gender in the perilous journey of migrants This is an indispensable text for all interested in the theology of migration and the ethics of migration policy William O Neill S J Jesuit School of Theology Berkeley At times saddening at times inspiring A Promised Land A Perilous Journey brings fresh perspectives to the discussion of immigration These essays reach beyond the policy debate and the heated emotions of the moment and provide much needed reflection on larger truths Roberto Suro University of Southern California

A Promised Land, A Perilous Journey: Theological Perspectives on Migration Daniel Groody (ed), **The Bible and Immigration** Markus Zehnder, 2021-08-12 Questions relating to immigration are among the most heated topics on both sides of the Atlantic Western societies have changed dramatically because of large scale immigration in the last decades Christians are also engaged in the discussion attempting to find direction from the biblical texts Overwhelmingly persons in leading positions both in the secular world and in churches and faith based organizations support the concept of welcoming the stranger The Bible is seen by them as urging us to open the borders as wide as we can In the broader population however reservations remain This book written by a Bible professor who has witnessed mass migration first hand both in Europe and in the U S and who has been a migrant himself for over twenty years attempts to step back and look at the whole of the complex biblical witness instead of cherry picking passages that further a specific agenda It also looks at the salient data on the ground in the fields of psychology demography economy and security data that can no longer be ignored when trying to apply the Bible in a responsible way The book demonstrates the shortcomings of the vast majority of biblical and theological publications on the issue of immigration and presents a comprehensive argument for the use of wisdom and caution and against short sighted and emotionally driven policies supporting open borders

Asylum-Seeking, Migration and Church Susanna Snyder, 2016-04-15 *Asylum Seeking Migration and Church* addresses one of the most pressing issues confronting contemporary society How are we to engage with migrants Drawing on studies of church engagement with asylum seekers in the UK and critical immigration and refugee issues in North America Snyder presents an extended theological reflection on both the issue of asylum seeking and the fears of established populations surrounding immigration This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology social work mission and faith and social action as well as those working in the field of migration

Showdown in the Sonoran Desert Ananda Rose, 2012-06-01 This book offers reflections on a daunting and controversial ethical question How should we treat the strangers who enter this country illegally To understand the experience of those directly confronted by this problem Ananda Rose traveled to the Sonoran desert at the border between the U S and Mexico There she gathered opinions from Minutemen Border Patrol agents Catholic nuns humanitarian air workers left wing protestors ranchers and other ordinary citizens in southern Arizona She depicts the results of these interviews as two starkly opposed ideological perspectives that of religious activists who embrace a biblically inspired model of hospitality that stresses love of strangers and a borderless compassion and that of law enforcement which is concerned with safety security and strict respect for international borders

Brazilians in a Promised Land Jorge William de Castro Abdala, 2022-08-25 There are an estimated of 1 3 million Brazilian immigrants living in the United States approximately 460 000 Brazilian Americans as of mid 2019 The Brazilian population in the United States is relatively small and the lack of knowledge of Brazilian immigrants and the tendency to stereotype based on the perception and assumption has had a negative impact on many Brazilian ministries There are only thirteen Brazilian ministries within the Presbyterian Church USA and the total number of Brazilians membership within the PC USA is approximately seven hundred people Some of these ministries have existed for over twenty years but very little information has been given about their existence and experiences Brazilian ministries that thrive most in the PC USA s body cherish their own identity understand what those essential factors and keys are and embrace the challenges and opportunities in a cross cultural experience Every thriving Brazilian ministry is made of people who reflect the image of God in the migration context and plays a unique model to love outcast Brazilians living in this promised land

Migrants and Citizens Tisha M. Rajendra, 2017 The inadequacy of human rights and the preferential option for the poor Migration theory and migration ethics In search of better narratives Theories of justice in

global perspective Justice as fidelity to the demands of a relationship From responsibility to relationship The Good Samaritan revisited *The Rhetorics of US Immigration* E. Johanna Hartelius, 2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In *The Rhetorics of US Immigration* some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States *The Rhetorics of US Immigration* provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue *The Rhetorics of US Immigration* is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church *The Rhetorics of US Immigration* considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg **Prisoners of Hope** Nathan McConnell, 2025-05-30 *Prisoners of Hope* focuses on ecclesiological and practical theological responses to migration asylum seeking and refugee integration and assimilation It considers the relationship between the church and the nation state relative to political asylum by questioning the various responses of Christians who advocate for refugees and asylum seekers in their spheres of influence *Prisoners of Hope* features how the Church might begin to appraise and address the various socio political strategies employed by nation states which situate migrants in a form of quasi political status as they move from one place to another It holds key benefits for exploring the philosophical and theological intersections of Dietrich Bonhoeffer Giorgio Agamben and Seyla Benhabib and those attempting to ask about treatment of the refugees and asylum seekers *Prisoners of Hope* will be of particular interest to those attempting scholarly research in the areas of theology religion and migration studies as it investigates the phenomenological experiences of refugees going in and out of detention as well as arguments relating to porous borders within sovereign national entities Initially the book engages definitions of migration moving onto concepts of State of Exception and Homo Sacer and analysing arguments regarding porous borders and cosmopolitanism Of specific benefit for Christian theology is the second half of the book which examines the importance of vicarious witnessing prayer voicing inclusion worshipping communities and the inclusion of the other Overall *Prisoners of Hope* is a pertinent addition to those discussing concepts of national sovereignty migrant assimilation asylum seeking hospitality and the juxtapositioning of the foreigner within the often intricate dialogues associated with political entry **Theologies on the Move** Joerg

Rieger, 2020-10-13 Theologies on the Move Religion Migration and Pilgrimage in the World of Neoliberal Capital speaks to the reality that many religions have developed in motion with people exploring new boundaries migrating and being displaced Consequently major religious traditions form as they come into contact with other religions and cultures typically in situations of struggle and pressure Due to neoliberal capitalism more people are on the move today than ever before Most are driven by necessity migration due to violence poverty and perceived poverty others by religious quests that are often fueled by experiences of tension pilgrimage The chapters in this volume explore the complexity of these situations examining in detail how theology and religion shape up in various contexts on the move and investigating specific problems and tensions in order to suggest solutions alternatives and new possibilities

A Promised Land A Perilous Journey Theological Perspectives On Migration Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Promised Land A Perilous Journey Theological Perspectives On Migration has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Promised Land A Perilous Journey Theological Perspectives On Migration has opened up a world of possibilities. Downloading A Promised Land A Perilous Journey Theological Perspectives On Migration provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Promised Land A Perilous Journey Theological Perspectives On Migration has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Promised Land A Perilous Journey Theological Perspectives On Migration. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Promised Land A Perilous

Journey Theological Perspectives On Migration. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Promised Land A Perilous Journey Theological Perspectives On Migration, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Promised Land A Perilous Journey Theological Perspectives On Migration has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About A Promised Land A Perilous Journey Theological Perspectives On Migration Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
