important book to buy and keep on your shelf because it teaches the Word of God as a means to quell and heal as a creative force for great artistic minds or simply as a healing method to help you stand up during the day Art must be cleaned for the populace to be healthy Ask the USO if this book is how to heal grandma even while you try to be big It alters you from being laded a mediocre artistic unto a world where God reigns by clearing curses off your art thereby altering fate of reception to your arts By using Bible verses in our prayer to actually cause the choreographic movements or art enhancements the next step becomes a prayer process to remove the sin needing repentance of the word of God to make the work popular It's not only political connections to be big in the arts it's also being prepared to battle what comes against you by appealing to God by using prayer and repentance of the scripture that creation is made from to protect the public as they can enjoy art better when they are clean and healthy themselves So you need a hardcover edition to pass down to your kids with certainty they will receive the information unblocked from loss of cloud fun especially if Christianity becomes inexpedient under new rulership HEAL CAT is how to defend yourself quietly without having to nuisance to get free It is a real biblical healing process originally intended by God and why we never used pharmaceuticals in our past before Prayer works better when Biblical language is used Life then becomes how to stay clean young and healthy to use this repentant pak methodology and how to be loved as an artist to use prayer and repentance in your work And God blesses turning to Him **A Women's**

Lectionary for the Whole Church Year B Wilda C. Gafney, 2023-07-18 In this project I propose at least two new lectionaries a year W a women's readings year that can be added to the current Episcopal or Revised Common RCL Lectionaries and a new three year cycle How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching More simply what would it look like if women built a lectionary focusing on women's stories How is the story of God told when stories of women's brutalization and marginalization are moved from the margins of canon and lectionary and held in the center in tension with stories of savvy and strong women women whose contribution is not limited to or does not even include childbearing There are more than two billion Christians in the world according to the Pew Research Center demographic projections Pew Research Center's Forum on Religion and Public Life Global Religious Landscape December 2012 2.3 billion in 2015 With

Roman Catholics making up an estimated 1.2 billion and accounting for Orthodox Christians Anglicans Episcopalians Methodists Presbyterians Lutherans and other Reformed traditions along with some Baptist and congregational churches that use a lectionary the overwhelming majority of Christians receive their scripture mediated through a lectionary Based on the numbers in the Pew Research Center's 12 May 2015 report America's Changing Religious Landscape as much as sixty percent of American Christians attend services in churches that use lectionaries Those lectionaries are not simply as androcentric as are the scriptures but in my experience as a congregant and priest women are even less well represented than they are in the biblical text For example there are one hundred and eleven named women in the Hebrew Scriptures which is itself under represented in preaching lectionaries not accounting for the numbers of unnamed women and girls The lectionary is a catechetical tool All many congregants know of the bible is the texts they hear read from their respective lectionary As a biblical scholar it is my hope to see congregants exposed to the bible more broadly and deeply and see them equipped to engage the sacred texts of their tradition critically with nuance This book will be for use in liturgical contexts in parishes and the institutions of the Church in seminary classrooms particularly worship and liturgy and for individual devotional use
