Saudi Arabia International Monetary Fund. Middle East and Central Asia Dept., 2016-10-13 Saudi Arabia has begun a fundamental policy shift to respond to low oil prices The government has introduced a series of reforms over the past year and has recently set out plans for a bold and ambitious transformation of the Saudi Arabian economy in Vision 2030 and the National Transformation Program Diversifying the economy creating jobs for nationals in the private sector and implementing a gradual but sizable and sustained fiscal consolidation are key policy priorities *Events and Infrastructures*

Barbara Grabher, Ian R. Lamond, 2024-05-13 Innovative and the first of its kind this informative and multidisciplinary book explores the socio cultural significance inherent in event infrastructures While mainstream event management literature addresses event infrastructures mainly through its operational relevance this carefully compiled edited volume takes infrastructures as an analytical point in respect to its social political economic and cultural potential of the study of events Borrowing from the ongoing social scientific debates on the geography sociology and anthropology of infrastructures critical questions are posed in relation to the event contexts With references to events in Argentina Malawi Spain and the UK among others the volume combines an international perspective with a highly relevant subject for contemporary event management education By bringing together theoretical as well as empirical readings on the question of event infrastructures from a critical point of view the debates are relevant to practitioners and researchers as well as undergraduate and postgraduate students in the field of events leisure tourism anthropology sociology geography and urban planning among others
