Zsolt Bojti, 2025-07-28 This book scrutinises the production and transnational distribution of sexological knowledge at the turn of the century The works of three transnationally mobile authors are in the focus *The Picture of Dorian Gray* 1890 1891 and *Teleny* 1893 by and attributed to Oscar Wilde *The True Story of a Vampire* 1894 by Count Stanislaus Eric Stenbock and

Imre A Memorandum 1906 by Edward Prime Stevenson The textual analysis is governed by references in all four works to Hungarian culture to demonstrate how they conceptualised Hungarianness and same sex desire simultaneously in the light of the new classificatory science of sexualities coming from German speaking Central Europe By foregrounding a timely literary angle and a culturalist approach this book offers non Anglocentric insights not bound by either language or nationality to shed new light on the interdisciplinary reading practices of late Victorian subjects and the ways they contributed to the emergence of fin de si cle queer fiction The Illustrated London News Anonymous,2023-02-28 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost The American Stationer ,1893
