A MODERN HERBAL

A detailed botanical illustration of a plant, likely a species of Prunella or similar, featuring a woody branch with several green, lanceolate leaves. The branch is adorned with clusters of small, white, five-petaled flowers with prominent yellow stamens. Below the main cluster of flowers, there are several dark, round, glossy berries. One berry at the bottom is shown in cross-section, revealing a light-colored, fleshy interior and a central seed. The entire illustration is set against a light beige background.
