A Negro Explorer at the North Pole (Classic Reprint) Matthew A. Henson, 2017-12-18 Excerpt from A Negro Explorer at the North Pole Yet two of the interesting points which present themselves in connection with his work may be noted Henson son of the tropics has proven through years his ability to stand tropical temperate and the fiercest stress of frigid climate and exposure while on the other hand it is well known that the inhabitants of the highest north tough and hardy as they are to the rigors of their own climate succumb very quickly to the vagaries of even a temperate climate The question presents itself at once Is it a difference in physical fiber or in brain and will power or is the difference in the climatic conditions themselves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Negro Explorer at the North Pole Matthew Alexander Henson, 2018-08-05 A Negro Explorer at the North Pole Large Print by Matthew Alexander Henson Friends of Arctic exploration and discovery with whom I have come in contact and many whom I know only by letter have been greatly interested in the fact of a colored man being an effective member of a serious Arctic expedition and going north not once but numerous times during a period of over twenty years in a way that showed that he not only could and did endure all the stress of Arctic conditions and work but that he evidently found pleasure in the work We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
