Includes a foreword by Mortellus author of Do I Have to Wear Black *A Modern Guide to Heathenry* Galina Krasskova, 2019 Previously published in 2005 as *Exploring the Northern Tradition* **A Brief Guide to Secret Religions**

David V. Barrett, 2011-05-26 This wide ranging book explores the diversity of esoteric and occult beliefs Neo Paganism is one of the fastest growing new religions in the western world where witchcraft or Wicca Druidry and Urban Shamanism are thriving Alongside this there has been an upsurge in New Age ideas of an even wider variety including astrology Tarot numerology and many others And then there are members of various schools of occult science practising High Magic Why this new interest in old beliefs Why are millions of educated people today abandoning both the established religion of their parents and 21st century scientific rationalism and turning to magic and esoteric teachings In their search for spirituality those who follow these paths claim to be applying ancient wisdom to the modern world The Brief History of Secret Religions a companion book to The Brief History of Secret Societies looks at the history and variety of these esoteric movements where they came from and what they tell us about the world today Praise for The New Believers an excellent guide to fringe religions that juxtaposes respectable movements and those conventionally dismissed as cults The Telegraph no nonsense comprehensive survey packed with non judgmental information about the beliefs aims and activities of such movements Daily Mail

[Exploring the Northern Tradition](#) Galina Krasskova, 2005-05-15 Exploring the Northern Tradition is an introduction to the modern reconstruction of the ancient religion of the Germanic and Scandinavian peoples This religion called Heathenry is one of the fastest growing polytheistic religious movements in the United States today This book provides a thorough guide to the cosmology values ethics and rituals practiced by modern Heathens It crosses denominational lines examining practices common to all branches of Heathenry in an easily accessible format Readers will have the opportunity to explore the sacred stories of the various Heathen Gods like Odin Frigga Freya and Thor and the devotional practices of modern votaries The most common devotional rite the faining or blot is examined in rich detail with examples given for personal use Additionally readers are introduced to the concept of *wyrd* or fate so integral to the Heathen worldview For those new to Heathenry Pagans who wish to learn more about the Norse Deities or those simply interested in learning about this unique religion Exploring the Northern Tradition is the perfect introduction Subjects covered include The gods and goddesses Symbol The soul matrix Ethics and values of the modern heathen The history and evolution of modern Heathenry Unlike many books on Heathenry Exploring the Northern Tradition is not denomination specific nor does it seek to overwhelm the reader with unfamiliar Anglo Saxon or Norse terminology Every new concept covered is presented in a clear and easy to understand manner Readers will come away from this book with a thorough knowledge of what the Heathen community is like and what newcomers to that community can expect Experienced Heathens will find a wealth of lore and inter denominational critique that will make this book an excellent addition to their libraries The author Galina Krasskova draws on her own 12 years of experience as a Heathen priest or *weofodthignen* She is currently *Aeweweard* in *Thaet*

Angelseaxisce Ealdriht and has studied interfaith ministry in NYC where she is registered with the state as a minister Drawing upon the foundation of her own experience as a Heathen Rev Krasskova provides a window into this faith that seeks to unite the wisdom of the past with the devotional inspiration of the present *The Heathen Handbook* Woden's Folk Kindred,2012-01-02 The Heathen Handbook is a combination of the most important elements of the ancestral folkways of Northern Europe Regardless of whether it is called Asatru Odinism Troth Forn Sed or simply Heathenry the ancient faith of the northlands is based on heritage kinship honor love of the earth and the belief that we forge our own destiny Because Heathenry is holistic and touches every aspect of our lives there is a need for single book that addresses the wide range of subjects that a Heathen needs to know The Heathen Handbook covers our basic beliefs history worldview ethics mythology symbolism the runes ritual and practical ideas about what we can do as individuals and as a community to further our way There are equal measures of scholarship practicality reliance upon tradition and applications that fit the modern world The Heathens of Woden s Folk Kindred took information from over a hundred sources as well as many years of living Heathenry to create an effective resource for anyone trying to navigate the tricky path of reconnecting with the ways of our ancestors In an age of increasing social alienation and cultural decay Heathenry offers a saner more fulfilling way to live and the Heathen Handbook offers a guide to help both novices and experienced Heathens seeking to embrace that life This fourth edition of the Heathen Handbook contains expanded and revised sections on rituals as well as much needed corrections and a section addressing women in our faith This section on women in Heathenry seeks to help bring our faith back into balance with a presentation of influential heathen women from the lore and a look at the essential and differing roles that women play in our faith Seiðr Magic Dean Kirkland,2024-04-02 Explains the techniques used to achieve trance in sei r how to journey in the Nine Realms and the different gods and spirits you may encounter Discusses the tools of sei r such as the sei r staff and hood and how to create them empower them and care for them Details Norse divination methods ways to alter fate healing techniques the use of protective songs and the practice of Norse soul retrieval While Norse rune work is well known there is another major ancient Norse magical practice sei r pronounced sayther a form of trance spirit work and divination Although sei r is often considered an ancient form of witchcraft recent archaeological evidence suggests it is more closely related to shamanism In this practical guide to sei r Dean Kirkland Ph D reconstructs the magical and shamanic techniques of the sei r priest or priestess using the sagas and other literature from the Viking Age tools found in the archaeological record and surviving indigenous shamanic traditions He addresses the misconception that sei r was reserved only for women and shows how anyone called to this work can practice it in the modern world He discusses the tools of sei r how to create them empower them and care for them and he explores the use of protective songs var lokur that involve forming bonds with spirits a practice he likens to the medicine songs of Amazonian shamans Looking at trance journeying in the Nine Realms of the Norse cosmos the author discusses the different gods and spirits the sei r practitioner may encounter in the Upper

Middle and Lower realms He shares methods of divination using the sei r staff as well as ways to alter rl g or fate through spiritual work Discussing soul healing techniques in sei r the author looks in depth at the Norse shamanic practices of soul retrieval and reintegration of the soul parts He then explores the role of sei r in death dying and dealing with the dead including work with the valkyries and the ancestors Presenting a historically based handbook for contemporary heathens this book offers a practical path for anyone seeking to explore Norse trance magic and mysticism Foundations of Chaplaincy

Alan T. Baker, 2021-02-18 An approachable overview of the nature purpose and functional roles of chaplaincy Chaplaincy is unlike any other kind of ministry It involves working outside a church without a congregation usually in a secular organization It requires ministering to those with starkly different religious convictions many of whom may never enter a house of worship It is as Alan Baker writes ministry in motion Those who are embarking upon this unique and specialized call deserve equally unique and specialized guidance and Foundations of Chaplaincy offers exactly that Baker surveys the biblical and theological foundations of chaplaincy before enumerating four specific responsibilities and skills that define chaplaincy s ministry of presence providing facilitating caring and advising Baker s thorough guidance on these matters is supplemented in sidebars with practical advice and anecdotes from over thirty chaplains currently serving in a variety of settings and organizations Chaplains who serve in healthcare the military correctional institutions police and fire departments sports teams college campuses and corporations have essential roles to play in their respective organizations but theirs is rarely an easy calling With Foundations of Chaplaincy as an introduction and an ongoing reference those called to this important vocation may be assured of having the tools they need to cultivate a strong mission driven pastoral identity rooted in their own theological tradition while simultaneously participating in a multi faith team
