A Resilient Life You Can Move Ahead No Matter What:

A Resilient Life Gordon MacDonald, 2009-11-16 It makes little difference how fast you can run the 100 meters when the race is 400 meters long Life is not a sprint it is a distance run and it demands the kind of conditioning that enables people to go the distance Gordon MacDonald Running Strong Whose heart doesn't leap at the sight of a beautifully conditioned runner effortlessly gliding along stride by stride mile by mile And what runner gets to this place without a thankless and often lonely regimen of strategy and self denial Isn't this the perfect metaphor of what your heart is longing for running life's race with intentionality and grace With strength and focus Well you can Veteran pastor and best selling author Gordon MacDonald says you must develop resilience the courage and ability to get up when you fall to keep running when you're bone weary and to keep your eye on the goal even in the murkiest moments Using the backdrop of his own experiences as a champion runner MacDonald demonstrates how resilient people Practice spiritual self discipline to build stamina and grit Know what's up ahead what obstacles they will likely face and Bond with special friends who share their commitment to finishing well Because he has also run many long punishing laps in the tough race of life MacDonald is uniquely qualified to coach and encourage you in developing that resilient spirit to weather adversity to finish what you start and to never be satisfied with anything short of God's best for you You're Going to Be Okay Holley Gerth, 2014-02-04 Sometimes it feels like life's falling

apart at the seams Sometimes you're completely worn out by stresses that never seem to end For every woman who has been disappointed who has watched a dream die whose life isn't what she imagined it would be bestselling author Holley Gerth has a heartfelt message of hope you really are going to be okay And it is possible to live with joy resilience and strength in both the good times and the bad In fact she says that's what God desires for us With her trademark positive encouragement and probing questions for self reflection Holley encourages women to spend less of their lives regretting and more of their lives truly living She shows them how to guard their hearts against despair and look to the future with confidence remembering that they are part of a greater plan and nothing can stop God's purposes for them The Offensive Church

The Offensive Church Bryan C. Loritts, 2023-07-18 Crises around race have put the church in a reactive defensive posture but Jesus wants more He wants Christians to play offense by disciplining people into a new humanity that pushes beyond mere diversity so that the church becomes the aroma of Christ to our culture and gains ground against the demonic foothold of racism in all its forms
