Second Schleswig War of 1864 despite its defeat of the Danes at Dänneberg Yet within five years a Prussian led army would humble France and a Prussian king would be crowned emperor of a united Germany The history of the world would be changed forever This book tells the story of this army chronicling its growth from the end of the Napoleonic Wars to the reforms of the 1860s then offering a full account of the wars against Denmark in 1864 and Austria in 1866 The author shows how the confluence of three men's lives King William I Helmuth von Moltke and Otto von Bismarck provided the essential ingredients that created this victorious army The growth and influence of the General Staff is examined along with the recruitment and training of officers and men Powell fully describes the organization of the army and the fledgling navy as well as the weapons with which they fought

The Silent General - Horne of the First Army Don Farr, 2007-06-08

Whether or not Henry Sinclair Horne was the silent General he might certainly if he were still alive lay claim to being the forgotten General of the Western Front His self effacement in a profession not renowned for shrinking violets undoubtedly made its contribution to his relative anonymity he wrote no memoirs nor kept anything more than sketchy diaries but it is still surprising that such an important contributor to the defeat of the German army in the Great War has not until now received the attentions of a biographer After a customary slow start in the late Victorian army Henry Horne first made an impact during the Boer War fortuitously as it was to turn out under the eyes of a Colonel Douglas Haig By the outbreak of the Great War Henry Horne was a Brigadier General Two years later he was a full General in command of the BEF's First Army His was one of the most rapid elevations to top rank recorded in the war In the two years he spent as an army commander he commanded the brilliant capture of Vimy Ridge the desperate defensive Battle of the Lys the successful assault on the Drocourt-Quatre Bras Switch the outstanding crossing of the Canal du Nord and the liberation of Douai Cambrai Lens Valenciennes and Mons Napoleon always sought to ensure that his generals were lucky In that respect Henry Horne would have suited him He was lucky in having a long standing close professional relationship with the Commander in Chief FM Haig in having under his command at First Army the elite Canadian Corps and some distinguished British divisions and in having as his Chief of Staff one of the outstanding staff officers of the war But there was more to Henry Horne than just luck This belated biography assesses Henry Horne's relationship with Haig and the Canadian Corps It also evaluates his contribution to the technical advances of the artillery during the war and describes the battles which he conducted It attempts to accord to Henry Horne the recognition and credit that he deserves but which has for so long been withheld
