Bittersweet Farm 1 Barbara Morgenroth, 2013-08-21 When a handsome new trainer arrives at Bittersweet Farm the competition between half sisters is no longer limited to the show ring Talia Margolin's life has been marked by events completely beyond her control her mother's death her move to her father's horse farm the retirement of her show horse Now she faces the arrival of a new coach whose job is to get Talia's half sister Greer qualified for the finals at the National Horse Show Greer is brutal on trainers but Lockie Malone is different Handsome talented and with a will of hardened steel Lockie can be an immovable object He also becomes the agent for change in the lives of everyone at Bittersweet Farm For seventeen year old Talia change has never meant anything but loss Will this time be different **Chronicle of the Horse**, 1986-10 **The Maps of the Cavalry at Gettysburg** Bradley M. Gottfried, 2020-04-21 An overview of generations of Italians in the Big Apple weaving together numerous stories from different epochs and different backgrounds If you want to learn something about Italian creativity come to New York Here you will find the pride of flying the Italian colors at the Fifth Avenue Columbus Day Parade the American patriotism of those who perished at Ground Zero the courage of firefighters and marines on the frontline of the war against terrorism the babel of dialects at the Arthur Avenue market portrayals of social change in the writings of Gay Talese stories of successful business ventures on the TV shows of Maria Bartiromo and Charles Gasparino political passion in the battles of Mario Cuomo and Rudy Giuliani creative imagination in the works of Gaetano Pesce Renzo Piano and Matteo Pericoli and provocation in the attire of Lady Gaga The Midtown top managers who arrived in the past twenty years operate in the XXI century while on Fresh Pond Road in Ridgewood the panelle are still prepared according to the Sicilian recipes transmitted from one generation to the next From the Introduction **Southdown Handbook** American Southdown Breeders' Association, 1952 [Journey to Armageddon](#) Kevin A. Campbell, 2019-06-05 Once again the soldiers officers and commanders tell the story in this third volume of Kevin Campbell's comprehensive work on the Gettysburg Campaign Journey to Armageddon The hardships comradeship short rations and the dance with the enemy's bullets and shells are all here Blistering sun drenching rains choking dust sticky mud played out horses and men and the high level often inharmoniousness communications between army commanders and their governments are presented in these pages Fortunately not all is despair and doom Included are the sometimes humorous interactions with the civilians met along their journey and the acrimony that frequently filled encounters between hungry soldiers and the administrators of the villages and towns they passed through The tales told by these hardy men about the events of their existence are significant elements within the story of the Gettysburg Campaign which author Kevin Campbell tells in a clear and concise prose Most historians who write of the great crusade gloss over these events in favor of the more prominent proceedings in and around Gettysburg These often ignored events and much more are incorporated into his complete treatment of the Union and Confederate armies on their journey to Armageddon *American Egg and Poultry Review*, 1949 *The Boy Generals*

Adolfo Ovies, 2021-06-11 First in a trilogy a study of the strategy tactics and rivalry between two leaders of the Army of the Potomac's cavalry during the American Civil War George Armstrong Custer's career has attracted its fair share of coverage but most Custer related studies focus on his decision making and actions to the exclusion of other important factors including his relationships with his fellow officers Custer developed his tactical philosophy within the politically ridden atmosphere of the Army of the Potomac's Cavalry Corps His relationship with his immediate superior Wesley Merritt was so acrimonious that even Custer's wife Libbie described him as her husband's enemy *The Boy Generals* examines in detail the steadily deteriorating relationship of two cavalymen with opposing tactical philosophies and how this relationship affected events in the field Custer was a hussar a firm believer in the shock power of the mounted saber charge while Merritt was a dragoon his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield where he could fight dismounted with his carbine With these diametrically opposed belief systems it was inevitable that these officers would clash What has often been described as a spirited rivalry was in fact something much darker an association that moved from initial distaste to acrimony and finally outright insubordination on Custer's part Author Adolfo Ovies mined deeply official reports regimental histories and contemporary newspaper accounts together with unpublished and little used primary sources of men who fought in their commands This rich and satisfying study exposes the depths of one of the most dysfunctional and influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater *The Boy Generals* will change the way Civil War readers think of the premier Union army's mounted arm as well as George Custer's legacy Praise for *The Boy Generals* A grand effort a Must Read It will be a standard bearer a marvelous book that should remain among the very best It will certainly grace my library Frederic C Wagner III author of *The Strategy of Defeat at the Little Big Horn* Well written thoroughly researched and entertaining This is one you cannot miss Eric J Wittenberg award winning author of *The Devil's to Pay John Buford at Gettysburg A History and Walking Tour* *Herd Register* American Guernsey Cattle Club, 1918 **Directory - American Veterinary Medical Association** American Veterinary Medical Association, 1966 *1970 Census of Housing*, 1971
