Pogue,2022-04-15 In *The Nature of the Religious Right* Neall W Pogue examines how white conservative evangelical Christians became a political force known for hostility toward environmental legislation Before the 1990s this group used ideas of nature to help construct the religious right movement while developing theologically based eco friendly philosophies that can be described as Christian environmental stewardship On the twentieth anniversary of Earth Day in 1990 members of this conservative evangelical community tried to turn their eco friendly philosophies into action Yet this attempt was

overwhelmed by a growing number in the leadership who made anti environmentalism the accepted position through public ridicule conspiracy theories and cherry picked science Through analysis of rhetoric political expediency and theological imperatives *The Nature of the Religious Right* explains how ideas of nature played a role in constructing the conservative evangelical political movement why Christian environmental stewardship was supported by members of the community for so long and why they turned against it so decidedly beginning in the 1990s *Creationism USA* Adam Laats,2020-09-24 *Creationism USA* reveals how common misconceptions about creationism have led Americans into a century of unnecessary culture war histrionics about evolution education and creationism Adam Laats argues that Americans do not have deep fundamental disagreements about evolution but that they do have significant disagreements about creationism *Creationism USA* both explains the current state of America s battles over creationism and offers a nuanced yet straight forward prescription to solve them *World History Student Activity Manual 4th Edition* 278747 4th Ed,2013-03-06 This student activity book accompanies BJU Press sold separately *World History Student Text 4th Edition* Helping to reinforce concepts people and places from the text while developing reading skills exercises are based upon maps and included primary document excerpts Chapter review sections include short answer and multiple choice questions 268 perforated pages softcover This resource is also known as Bob Jones World History Student Activity Book Grade 10 4th Edition *Schooling and the Struggle for Public Life* Henry A.
