

Add-On Crochet Cables

The following crochet cable techniques were developed to settle a dilemma that many crocheters may share: loving the look of knitted cables, but preferring to crochet. Instructions for knitted cable projects often present the cable portions in panels to make the instructions easier to follow. The following cables use a similar method that involves twisting or braiding strips worked in simple combinations of basic crochet stitches and attaching the strips to panels or flat pieces of crocheted fabric. Choose from 20 different creative cable stitch patterns along with easy-to-follow charts for sizing your projects. Also offered are five versatile and stylish projects to get you started.
