Dake, Sr., 1987-01-01 *The Truth Unmasked and Error Exposed in Theology and Metaphysics, Moral Government, and Moral Agency* H. W. Middleton, 1858 **Unmasked Truth** Regina Medious, 2020-12-24 How my peace was stolen before I ever knew who I was I was exposed to childhood trauma and began to have suicidal thoughts as a teenager I badly desired not to feel the pain that had broken me Instead of facing the pain and leaning towards the savior I created a cover up I needed others to believe I was emotionally and mentally okay Looking as though everything was under control When Truthfully I was beginning to unmask Healing is something that takes place from within but often we choose to portray positive results over fighting to reach real healing The battle Through may not be easy but the Lord says he will never leave you nor forsake you Deuteronomy 31 16 You must grab hold on to that spiritual word as though it were a rope of steel pulling you from a pit of quicksand and never let go of His truth In this book you will discover How to build a serious desire for healing How to remove yourself from the physical rim of the world and step into the spiritual walks of life Gain the tools of armour required for spiritual warfare in order to remain on solid Ground How the Power of Prayer can take your tears your pain and turn it into your Glory How to walk in your Healing while standing on your truth This book was written in hopes to awaken the spiritual mindset of those who feel they have been spiritually defeated so that you may not hide behind the mask Hurt happened trust your Savior believe you re healed and live your next chapters in the service of He who Saves **The Voice of Creation** J. Hudson Mitchell, 2016-02-16 This book is a compendium of insights from sermons and books of great preachers of the Word of God It illuminates how God created the world in six days following His blueprint It reveals that man is created in the image of God It explains the significance of the nation of Israel in God s divine program It discloses the origin and effect of sin on all of humanity It disputes the atheistic opinions of the existence of God It concludes with the fulfillment of God s plan as the King of Kings of the combined heaven and earth in the New Jerusalem This book was written with the guidance of the Holy Spirit to bring some light to this darkening world As Perry Como s song goes It is better to light just one little candle than to stumble in the dark

LIONHEART Carl G.M. Joseph Th.D., 2025-08-08 There is no sadder epitaph than I never became what I might have been In truth most people never discover their true purpose because it can only be found in the mind of the Creator Communing with the Creator is the key to manifest destiny yet so few lions take the time For years now the Lions Unchained Podcast has challenged believers to unleash their God given destiny Many lions are caught up in the demands of the day to day scouring the savanna chasing down warthogs or taking care of the cubs Consequently purposeful living becomes an afterthought and the grind becomes the norm The purpose of this book is to activate God s call on your life and equip you to do so by revealing five key concepts which are foundational for Christian success No matter where you are in life it is never too late as far as

God's concerned It is time to unleash the warrior within **Aliens and the Antichrist** John Milor, 2006-09 Aliens and the Antichrist is a riveting prophetic Bible commentary highlighting over seven hundred scriptures documenting the existence relevance and significance of extraterrestrial life While unfolding the enigma of extraterrestrial life learn the facts about the fall of Lucifer and his angelic kingdom that once existed on Earth before Adam and Eve the rapture of the church the rise and fall of the Antichrist the second coming of Christ and the millennial reign of Christ the Nephilim human angel hybrids of Genesis 6 and their relationship with the Antichrist the realms of heaven and hell and the origin of dinosaurs Cro Magnon and Neanderthal Numerous other topics are also touched upon such as civilizations on Mars and elsewhere in the universe the unique topic of cosmic salvation the existence of Atlantis psychic abilities astral projection the existence of ghosts artificial intelligence and more We of Earth are on the verge of the conclusion of an ancient war amid countless beings of unfathomable power a war that has spanned across the eons across innumerable galaxies across dimensions and it's all coming to an end on this little planet Soon the world will know that aliens are real but the truth about their existence is only the beginning For those interested in receiving the full revelation from the Bible about who they are where they come from why they come and what they want this is the book to read **Deception unmasked: being a review of "A Statement of Facts" &c., by the Rev.
