Edouard Foa

Big Game Hunting In Central Africa Capstick Adventure Library:

Big Game Hunting in Central Africa William Buckley, 1930 **After Big Game in Central Africa** Edouard Foa, 1989-09-15 In less than four years Edouard Foa covered 7200 miles mostly on foot from the Zambezi delta on Africa's east coast to the mouth of the Congo on the west. He risked every form of tropical disease and death from dangerous game and the unreliability of early guns. Foa succeeded in his efforts to create for the Paris Museum one of the finest collections of African animals and plants in the world. His account is full of hard-earned bush knowledge. Frederick Lee's able translation boosted this entertaining book to U.S. prominence and two printings in 1899. **The African Adventurers** Peter Hathaway Capstick, 1992-06-15 Vintage heroics: an unforgettable return to the silent places. **Warrior** Peter Hathaway Capstick, 1998-01-15 Colonel Richard Meinertzhagen served in India and Africa with such adventures as commando raids against German forces in Africa and the Mideast during World War I; covert missions to the USSR and Nazi Germany between the wars; work as an OSS agent during World War II; and Meinertzhagen's ceaseless support of Israeli nationhood. Jacket.

Sands of Silence Peter Hathaway Capstick, 2025-09-23 From renowned hunting writer Peter Hathaway Capstick comes the most lavishly illustrated historically important safari ever captured in print. Capstick journeyed on safari through Namibia in the African spring of 1989. This was a nation on the eve of independence, a land scorched by sun and years of bitter war. In these perilous circumstances he commences what is surely the most thrilling safari of his storied career. He takes the reader to the stark landscape that makes up the Bushmen's tribal territories. There, facing all kinds of risks, members of the chase pursue their quarry in a land of legend and myth. In this first-person adventure, Capstick spins riveting tales from his travels and reports on the Bushmen's culture, their political persecution, and the Stone Age life of Africa's original hunter-gatherers. In addition, the author explains the economic benefits of the sportsman's presence and how ethical hunting is a tool for game protection and management on the continent. Featuring one hundred striking color images from leading African wildlife photographer Dr. M. Philip Kahl, *Sands of Silence: On Safari in Namibia* superbly illustrates Capstick's return to the veld and perfectly captures life and death in the land of thirst. *Death in a Lonely Land* Peter Hathaway Capstick, 1990-01-15 Following the smashing success of *Last Horizons* SMP 1989, Peter Capstick now presents a second volume of pieces culled from such magazines as *Outdoor Life*, *NRA's American Hunter*. *Guns* recalls the pleasures of biltong, African beef jerky, describes the irresistible homemade lures of snook fishing expert John Gorbach, and kills a genteel take of Atlantic salmon with the brilliantly simple tube fly. Over thirty gorgeous drawings by famous wildlife artist Dino Paravano make this volume yet another collector's item by a writer who keeps the tradition of great safari adventure alive in each of his books. *African Expedition Gazette*. Peter Capstick's eight prior titles include *The Last Ivory Hunter* SMP 1988, *Peter Capstick's Africa* SMP 1987, and *Death in the Long Grass* SMP 1978. *Explorers Journal* Ernest Ingersoll, 1989 **AB Bookman's Weekly**, 1987-07 **Big Game Hunting and Collecting in East Africa, 1903-1926** Kalman Kittenberger, 1929 *Pennsylvania*
