Autobiography Of Seventy Years (Volume I) George Frisbie Hoar,2020-07-21 **Autobiography Of Seventy Years (Volume II)** George Frisbie Hoar,2020-07-21 **American Portraits, 1875-1900** Gamaliel Bradford,1922 **The Development of the American Presidency** Richard J. Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have

shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

The Necessity of Organization Kathleen B. Nutter, 2019-05-24 The Necessity of Organization describes Mary Kenney O Sullivan s struggle to improve labor conditions through trade unionism Appointed the first woman organizer for the American Federation of Labor in 1892 she went on to be a co founder of the Women s Trade Union League formed in 1903 as a cross class alliance of women workers and their middle and upper class allies The possibilities and limits of trade unionism for women given the class and gender constraints of the period are the focus of this book

Emma Goldman, Vol. 2 Emma Goldman, 2008-07-16 Emma Goldman A Documentary History of the American Years reconstructs the life of Emma Goldman through significant texts and documents These volumes collect personal letters lecture notes newspaper articles court transcripts government surveillance reports and numerous other documents many of which appear here in English for the first time Supplemented with thorough annotations multiple appendixes and detailed chronologies the texts bring to life the memory of this singular pivotal figure in American and European radical history Volume 2 Making Speech Free 1902 1909 extends many of the themes introduced in the previous volume including Goldman s evolving attitudes toward political violence and social reform intensified now by documentary accounts of the fomenting revolution in Russia and the legal

opposition toward anarchism and labor organizing in the United States Always an impassioned defender of free expression Goldman s launch of her magazine Mother Earth in 1906 signaled a desire to bring radical thought into wider circulation and its pages brought together modern literary and cultural ideas with a radical social agenda quickly becoming a platform for her feminist critique among her many other challenges to the status quo With abundant examples from her writings and speeches this volume details Goldman s emergence as one of American history s most fiercely outspoken opponents of hypocrisy and pretension in politics and public life A History of Christianity in Asia, Vol. II Samuel Hugh Moffett,2014-07-30 This second volume of Samuel Moffett s acclaimed History of Christianity in Asia illustrates the advance of the modern missionary movement in the continent of its birth Like the first volume it makes available immense research in a readable and engaging narrative Moffett brings into dramatic relief events that illustrate both the broad patterns and the vital details of the spread of Christianity on a continent Louisa May Alcott Madeleine B. Stern,1999-08-26 Chronicles the life and literary success of the author of the enduring classic Little Women
