were originally bred for more aggressive activities such as hunting and dog fighting they have the capacity to be one of the most docile and loyal dog breeds around Fully understanding the pitbull breed is the first step in developing a bond with your dog so that he or she will allow you to be the pack leader This book is designed to debunk harmful preconceived notions about this amazing breed Along the way I ll also cover how to teach your dog simple tricks and obedience commands and how to socialize your pitbull with other dog breeds We ll also discuss the pitbull s breed specific traits including how to tend to your dog s special nutritional and physical needs since that s the key to a happy and healthy pitbull who s eager to be your best buddy for life
