Big Impact Big Brothers Making A Difference:

Mentoring Children and Adolescents Maureen A. Buckley, Sandra Hundley Zimmermann, 2003-11-30 Written in a clear straightforward manner this comprehensive volume offers an overview of the concept of mentoring and information on the role that caring adult youth relationships play in fostering positive development for young people The book presents up to date research on the efficacy and limitations of mentoring types of mentoring programs and key figures in the mentoring movement It presents accessible information on issues crucial to developing implementing and assessing effective mentoring ventures Also included are an extensive collection of current practical resources and a directory of mentoring initiatives foundations and organizations A valuable resource for young people seeking adult connections this book is also beneficial to school personnel youth group leaders directors of volunteer programs and anyone who cares about young people and youth issues

Perfect Targets Rebekah Heinrichs, 2003 A 2002 study from Comprehensive Issues in Pediatric Nursing found that 94 percent of students with Asperger Syndrome face torment from their peers Indeed some of their behaviors and characteristics that others see as different make many of these children easy targets for frequent and severe bullying This book takes a frank look at the different types of bullying and what adults must do to curb bullying helping prevent the often lifelong effects of this behavior on its victims Practical strategies and solutions at the school class and individual level are presented

The SAGE Encyclopedia of Out-of-School Learning Kylie Peppler, 2017-04-11 The SAGE Encyclopedia of Out of School Learning documents what the best research has revealed about out of school learning what facilitates or hampers it where it takes place most effectively how we can encourage it to develop talents and strengthen communities and why it matters Key features include Approximately 260 articles organized A to Z in 2 volumes available in a choice of electronic or print formats Signed articles specially commissioned for this work and authored by key figures in the field conclude with Cross References and Further Readings to guide students to the next step in a research journey Reader s Guide groups related articles within broad thematic areas to make it easy for readers to spot additional relevant articles at a glance Detailed Index the Reader s Guide and Cross References combine for search and browse in the electronic version Resource Guide points to classic books journals and web sites including those of key associations

Mentoring and Community-based Solutions to Delinquency and Youth Violence in Philadelphia United States. Congress. Senate. Committee on the Judiciary, 2007

Effective Collaboration for Educating the Whole Child Carol A. Kochhar-Bryant, Angela Heishman, 2010-04-21 Synopsis This book examines collaboration between teachers administrators student support specialists community agencies and service providers to improve outcomes for students with complex learning needs

Cycles of Poverty and Crime in America's Inner Cities Lewis D. Solomon, 2012-08-14 Despite the best hopes of the past half century black urban pathologies persist in America The inner cities remain concentrations of the uneducated unemployed underemployed and unemployable Many fail to stay in school and others choose lives of drugs

violence and crime Most do not marry leading to single parent households and children without a father figure The cycle repeats itself generation after generation It is easy to argue that nothing works given the policy failures of the past For Lewis D Solomon fatalism is not acceptable A complex and interrelated web of issues plague inner city black males joblessness the failure of public education crime mass incarceration and drugs the collapse of married two parent families and negative cultural messages Rather than abandon the black urban underclass Solomon presents strategies and programs to rebuild lives and revitalize America s inner cities These approaches are neither government oriented nor dependent on federal intervention and they are not futuristic Focusing on rehabilitative efforts Solomon describes workforce development prisoner reentry and the role of nonprofit organizations Solomon s strategies focus on the need to improve the quality of America s workforce through building human capital at the socioeconomic bottom The goal is to enable more people to fend for themselves thereby weaning them from dependency on public sector handouts Solomon shows a path forward for inner city black males

Resources in Education ,1997 *Academic Tutoring and Mentoring* M. Anne Powell,1997 *The SAGE Encyclopedia of Economics and Society* Frederick F. Wherry,Juliet B. Schor, Consulting Editor,2015-09-01 Economics is the nexus and engine that runs society affecting societal well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader s Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader s Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens

The Two-Parent Privilege Melissa S. Kearney,2023-09-19 In *The Two Parent Privilege* Melissa S Kearney makes a provocative data driven case for marriage by showing how the institution s decline has led to a host of economic woes Eschewing the religious and values based arguments that have long dominated this conversation Kearney shows how the greatest impacts of marriage are in fact economic when two adults marry their economic and household lives improve offering a host of benefits

not only for the married adults but for their children. Studies show that these effects are today starker and more unevenly distributed than ever before. Based on more than a decade of economic research including her original work, Kearney shows that a household that includes two married parents holding steady at the higher end of the socioeconomic scale increasingly rare among almost everyone else functions as an economic vehicle that advantages some children over others. As these trends of marriage and class continue, the compounding effects on inequality and opportunity grow increasingly dire. For many, the two-parent home may be an old-fashioned symbol of a vanished way of life. But *The Two-Parent Privilege* makes it clear that marriage, for all its challenges and faults, may be our best path to a more equitable future. By confronting the critical role that family makeup plays in shaping children's lives and futures, Kearney offers a critical assessment of what a decline in marriage means for an economy and a society and what we must do to change course.

Reviewing **Big Impact Big Brothers Making A Difference**: Unlocking the Spellbinding Force of Linguistics
