Barn Elric Endersby, Alexander Greenwood, David Larkin, 2003 In this text the authors take readers on a tour of American barns with all new information and photographs It is a complete geographic history of American barns from Colonial times to the present and examines the design styles these structures have undergone **Barn** Susan Hauser, 2017-10 Everything you ever wanted to learn about traditional American barns is here from barn history to types of barns to pop culture and mythology about barns

American Barns Jan Corey Arnett, 2013-09-20 The heart of every working farm and ranch the barn is an icon of rural America This book chronicles and celebrates all the main types and looks at how these treasures of early American architecture developed It explains how a wealth of immigrant construction methods and range of environments and climates resulted in a fascinating variety of barn styles in the United States from the earliest rare Dutch examples to simpler English types and others in more surprising shapes round or even polygonal crafted by the Shakers in the 1800s It highlights the most notable famous and historic barns that the reader can visit and features the efforts of conservation groups to preserve America's barns and find innovative ways to repurpose these glorious old structures as homes and studios and as living monuments of rural heritage Intergenerational Contact Zones Matthew Kaplan, Leng Leng Thang, Mariano Sánchez, Jaco Hoffman, 2020-02-19 In *Intergenerational Contact Zones* Kaplan Thang S nchez and Hoffman introduce novel ways of thinking planning and designing intergenerationally enriched environments Filled with vivid examples of how ICZs breathe new life into communities and social practices this important volume focuses on practical descriptions of ways in which practitioners and researchers could translate and infuse the notion of ICZ into their work The ICZ concept embraces generation and regeneration of community life parks and recreational locations educational environments residential settings and family life and national and international contexts for social development With its focus on creating effective and meaningful intergenerational settings it offers a rich how to toolkit to help professionals and user groups as they begin to consider ways to develop activate and nurture intergenerational spaces *Intergenerational Contact Zones* will be essential reading for academics and researchers interested in human development aging and society as well as practitioners educators and policy makers interested in intergenerational gathering places from an international perspective

Rural Imaginations for a Globalized World , 2025-07-17 This volume explores what aspects of contemporary rural life as deeply globalized and thus implicated in the ongoing destructive unfolding of colonialism and capitalism are highlighted and obscured in social political economic and cultural imaginations It asks how this shapes the ways in which rurality is politically mobilized affectively encountered and artistically mediated Coming from the humanities the social sciences and the art world the contributors bring into focus the persistence of romanticizing imaginations of the rural such as for example the idyll that position it as a wholesome escape from globalization and its excesses including looming environmental collapse In addition they detail attempts at deromanticization designed to disassociate the rural from whiteness rugged masculinity

heteronormativity anthropocentrism and agrilogistics Pop Culture Places Gladys L. Knight, 2014-08-11 This three volume reference set explores the history relevance and significance of pop culture locations in the United States places that have captured the imagination of the American people and reflect the diversity of the nation Pop Culture Places An Encyclopedia of Places in American Popular Culture serves as a resource for high school and college students as well as adult readers that contains more than 350 entries on a broad assortment of popular places in America Covering places from Ellis Island to Fisherman s Wharf the entries reflect the tremendous variety of sites historical and modern emphasizing the immense diversity and historical development of our nation Readers will gain an appreciation of the historical social and cultural impact of each location and better understand how America has come to be a nation and evolved culturally through the lens of popular places Approximately 200 sidebars serve to highlight interesting facts while images throughout the book depict the places described in the text Each entry supplies a brief bibliography that directs students to print and electronic sources of additional information **Annals of Iowa** ,2005 *Texas and Points West* Regge N.
