The Bartered Bride Lena Goldfinch, 2015-12-07 COLORADO 1880 Jem Wheeler has always been a survivor He just wants to make a fresh start in Colorado Springs after the loss of his wife But then he happens upon a young mute woman being sold off to the highest bidder He wasn't looking for a mail order bride He wasn't looking to rescue anyone either But desperate circumstances can drive a good man to do things he hadn't planned on doing When Jem steps into Annie's life she's not expecting anyone to save her Mute from birth she's just using all her wits to survive All she's ever really wanted is a family of her own For someone to see her To look at her long enough to hear the things she can't say Can Annie finally break through the silence to win Jem's heart Sweet Historical Western Romance A Mail Order Bride Novel Each book in The Brides Series can be read as a stand alone novel but reading in order will provide a more complete reading experience THE BRIDES SERIES The Unexpected Bride Sleigh Bells Mistletoe The Bartered Bride Only the Heart Knows Excerpt Jem took the apple core from his daughter and passed her one of the remaining crackers with a piece of cheese on it Mae munched that down and looked to him immediately for another the last one He gave it to her then showed her his empty hands She frowned More No more Jem said and showed her his empty hands again making a bigger gesture out of it as if the little girl was accusing him of hiding some If Annie weren't so intent on eating her share of cheese and crackers she might have smiled at the sight of them one of the most dangerous men she'd ever seen sitting side by side with that tiny little girl They made quite a mismatched pair Mae looked over at Annie at the last cracker in her hand and the last bit of cheese Annie gulped down the mouthful she was chewing She looked down at the last of her meal and back at the little girl To her shame she didn't want to give up her last cracker She could barely remember the last meal she'd eaten That's Annie's food Jem admonished the little girl You've had yours Mae bit her lip She glanced down at her lap then back at Annie again I can share Annie attempted to tell Mae with her eyes alone She snapped her cracker in half simply unable to bear parting with the whole thing and passed it across to the little girl Mae took it and popped the whole thing in her mouth making Annie smile Mae her father said She looked at him wide eyed her mouth full of cracker What'd she said muffled spraying a few cracker crumbs onto his trousers He closed his eyes briefly and brushed them off You didn't have to give her any he said to Annie but thanks Annie grunted her way of saying she didn't mind that much She looked down quickly and finished her last bit of food The crackers had been crispy and the cheese silky and smooth They'd tasted like heaven You must be thirsty he said Do you mind sharing She shook her head and automatically lifted two fingers Two's no he asked She nodded pleased and lifted one finger She'd grown up sending signals through the floor of the Ruskins house one stomp for yes two for no It came natural as rain now And one's yes he said catching on quick Annie drank deep when he passed her the flask of water amazed he'd let her drink from it She tried her best to pour it down her throat without touching her lips to the flask so he wouldn't regret giving it to someone so dirty She wished she could tell him thanks but after Mae had her fill and he took his own swallow he was back

under his hat likely going over the events of the day How he d stuck himself with her How he probably regretted even stepping off the train at the last stop She couldn t say she blamed him She hadn t much wanted to marry a stranger herself
