Aiding Democracy Abroad The Learning Curve:

Aiding Democracy Abroad Thomas Carothers, 2011-09 Aid to promote democracy abroad has emerged as a major growth industry in recent years Not only the United States but many other Western countries international institutions and private foundations today use aid to support democratic transitions in Eastern Europe the former Soviet Union Asia Africa Latin America and the Middle East Though extensive in scope these activities remain little understood outside the realm of specialists Debates among policymakers over democracy promotion oscillate between unhelpful poles of extreme skepticism and unrealistic boosterism while the vast majority of citizens in aid providing countries have little awareness of the democracy building efforts their governments sponsor *Aiding Democracy Abroad* is the first independent comprehensive assessment of this important new field Drawing on extensive field research and years of hands on experience Thomas Carothers examines democracy aid programs relating to elections political parties governmental reform rule of law civil society independent media labor unions decentralization and other elements of what he describes as the democracy template that policymakers and aid officials apply around the world Steering a careful path between the inflated claims of aid advocates and the exaggerated criticisms of their opponents Carothers takes a hard look at what such programs achieve and how they can be improved

Handbook of Globalization, Governance, and Public Administration Ali Farazmand, Jack Pinkowski, 2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and

War and Democratization Wolfgang Merkel, Sonja Grimm, 2013-09-13 Promotion of democracy in post war and post conflict societies became a topic during the 1990s The book deals with the legality legitimacy and effectiveness of military interventions where the international community of states not only felt impelled to engage in military humanitarian or peace building missions but also in long term state and democracy building External actors particularly engaged in four modes namely enforcing democratization by enduring post war occupation mode 1 restoring an elected government by military intervention mode 2 intervening in on going massacres and civil war with military forces humanitarian intervention and thereby curbing the national sovereignty of those countries mode 3 and forcing democracy on rogue states by democratic intervention in other words democracy through war mode 4 The contributions link juridical and philosophical reflections on just war ad bellum with empirical evidence post bellum in Afghanistan Georgia Serbia Croatia Cambodia and East Timor All empirical analyses stress the complexity and difficulties to establish democracy in post conflict societies driven or monitored by external actors Such an endeavour implies a comprehensive agenda of political social and economic methods of peace building However if external actors withdraw before the roots of democracy are deep enough and before democratic institutions are strong enough to stand alone then the entire endeavour may fail This book was originally published as a

special issue of Democratization *Democracy Promotion and the 'Colour Revolutions'* Susan Stewart, 2013-09-13 This book reviews the interplay between domestic contexts and democracy promotion efforts in selected countries of the former Soviet Union and the Western Balkans The idea behind the six case studies is twofold In the three cases where colour revolutions occurred Serbia Georgia Ukraine the authors explore the extent to which external democracy promoters adapted their strategies to respond to new domestic contexts In the other three cases Azerbaijan Belarus Russia the authors investigate how the political leadership has reacted to colour revolutions elsewhere and which consequences their reactions have had for democracy promotion In all cases an assessment of democratization processes in the country is provided as a basis for drawing conclusions about the potential for domestic and foreign actors to promote democratic development An introduction and conclusion embed the case studies in the existing literature on democracy promotion and generalize the findings across the countries studied On the practical level the volume offers suggestions for improving democracy promotion endeavours proposing in particular a more balanced approach which goes beyond supporting specific individuals and organizations to include addressing the structural level This book was published as a special issue of Democratization **New Approaches to EU Foreign Policy**

Maciej Wilga, Ireneusz Pawel Karolewski, 2014-06-05 EU foreign policy once existed in the form of the European Political Cooperation with only a limited political leverage and symbolic institutional underpinnings In recent years rapid changes have occurred including an expanding institutional apparatus increased responsibility and growing demand for action This book examines new approaches to the EU's foreign policy that address its rapidly changing character presenting the newest theoretical perspectives and dealing with novel empirical developments Rather than simply considering structural variations and changes in the agency of the EU it explores the new complexity in EU foreign policy The authors offer new theoretical perspectives and new empirical studies dealing among others with issues such as Power delegation to the Commission EU diplomacy Parliamentarisation and constitutionalisation Committees involvement in foreign policy process This book will be of interest to students and scholars of European politics European foreign policy and European integration

Handbook of African Development Tony Binns, Kenneth Lynch, Etienne Nel, 2018-04-27 This handbook presents an extensive new overview of African development past present and future It addresses key core themes and topics that are pertinent to the continent's development including sections on history health and food politics economics rural and urban development and development policy and practice The volume draws on the expertise of over 60 of the world's leading scholars to provide a detailed and up to date analysis of the key opportunities and challenges that confront Africa and how such issues are being addressed Arranged by key themes the handbook provides not only a historical understanding of the past but also political perspectives on the future The chapters provide critically informed analyses of their topics by drawing upon the latest conceptual viewpoints and applied experiences in Africa in the form of case studies to offer a comprehensive examination of the opportunities challenges key debates and future prospects This handbook is an invaluable state of the art

overview and reference concerning many different aspects of Africa's development which will be of interest to academics in all fields of African studies and also academics and students working in cognate disciplines such as development studies geography history politics and economics

Contending Orders Geoffrey Swenson, 2022 Examines how the rule of law is understood conceptually and pragmatically both on its own terms and as part of post conflict state building efforts It examines thinner more process orientated understandings of the rule of law as well as thicker more substantive conceptualizations with additional political social and economic components While both approaches are worthwhile I argue that a minimalist conception of rule of law offers the most appropriate standard for assessing progress in judicial state building after conflict

Democratic Trajectories in Africa Danielle Resnick, Nicolas van de Walle, 2013-10 This volume examines how foreign aid has influenced democratic transitions and consolidation in sub Saharan Africa

Promoting Party Politics in Emerging Democracies Peter Burnell, Andre Gerrits, 2013-09-13 This book offers a critical and comparative examination of international support to political parties and party systems in emerging and prospective new democracies in several world regions It combines the insights of a strong international grouping of leading academics and pioneering doctoral studies and draws on extensive new field work inquiries The wide ranging coverage pools evidence from countries in Europe and Eurasia Africa East Asia and Central America The book shows how far international support still has to go if it is to achieve its aims of helping party politics make a constructive contribution to furthering democracy It advances our understanding both of the role the political parties are playing in the different polities and the sometimes negative impact of democracy promotion actors from outside By contributing original theoretical perspectives and empirical findings the book points the way forward to agendas for future research and new courses of action It will be of interest to academics and the policy making and practitioner communities alike This book was published as a special issue of *Democratizations*

State Building in Putin's Russia Brian D. Taylor, 2011-02-21 This book argues that Putin's strategy for rebuilding the state was fundamentally flawed Taylor demonstrates that a disregard for the way state officials behave toward citizens state quality had a negative impact on what the state could do state capacity Focusing on those organizations that control state coercion what Russians call the power ministries Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin Drawing on extensive field research and interviews as well as a wide range of comparative data the book reveals the practices and norms that guide the behavior of Russian power ministry officials the so called siloviki especially law enforcement personnel By examining siloviki behavior from the Kremlin down to the street level State Building in Putin's Russia uncovers the who where and how of Russian state building after communism
