And A Time To Die And A Time To Die:

A Time to Die Hilda Lawrence, 2018-10-17 Just as he encountered murder while off duty in Blood upon the Snow detective Mark East once again finds his vacation interrupted by a mystery Perhaps it was a mistake to return to the same small town On his last visit the streets of Crestwood lay buried in snow This time blazing heat overwhelms the sleepy resort community In the cool of evening locals and summer visitors gather for a church supper Afterward one guest fails to return to the hotel but East refuses to take an interest reasoning that an attractive young woman might have any number of more interesting prospects But everyone insists that it s not like Mary Cassidy to suddenly disappear citing her pleasant ladylike behavior and her kindness to a motherless child As East s host Sheriff Perley Wilcox uncovers further details about the missing woman the detective gradually becomes more and more drawn into the case until his concern is captured by a grotesque discovery in the town s well The suspense builds as East investigates Mary s background and learns that the retiring gentlewoman wasn t at all what she seemed to be and that time is running out for the next victim A Time To Live, A Time To Die Jacqui

Ryalls, 2012-04-01 This book emerges from a heart of terror and courage and is a poignant lesson in the power of faith This translates into a fast moving inspirational story where lives are saved against impossible odds The author shows the reader the tragedy of war torn Bosnia at a time when ignorance suspicion and fear were stirred into racial hatred which quickly degenerated into the vicious circle of ethnic warfare Many readers will take great comfort in the author s fortitude and marvel at her ability to see rays of hope penetrating the darkest clouds She conveys the tragedy of Bosnia and demonstrates how when tough love is put into action even when surrounded by pain and hatred one can make a small contribution on the side of good This true story offers hope to victims of violence by helping them to realise that others are prepared to make great sacrifices in order to ease their suffering and in this case save lives against impossible odds It is the quality of child like faith in God which helped the author and her husband through the darkest of hours and which makes this such a potent story because religion only becomes truly meaningful when it can be seen to be working in peoples lives and making a difference
