## **And God Spoke To Abraham Preaching From The Old Testament:**

And God Spoke to Abraham Fleming Rutledge, 2011-11-01 Sixty superlative sermons on familiar Old Testament texts Many Christian preachers today largely neglect the Old Testament in their sermons focusing instead on the Gospel accounts of Jesus teachings and activities As Fleming Rutledge points out however when the New Testament is disconnected from the context of the Old Testament it is like a house with no foundation a plant with no roots or a pump with no well In this powerful collection of sixty sermons on the Old Testament Rutledge expounds on a number of familiar Old Testament passages featuring Abraham Samuel David Elijah Job Jonah and many other larger than life figures Applying these texts to contemporary life and Christian theology she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally Hear O Israel the Lord our God the Lord is One The Old Testament Is Dying (Theological Explorations for the Church Catholic) Brent A. Strawn, 2017-03-14 The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith However many churches tend to neglect this crucial part of Scripture This timely book details a number of ways the Old Testament is showing signs of decay demise and imminent death in the church Brent Strawn reminds us of the Old Testament s important role in Christian faith and practice criticizes current misunderstandings that contribute to its neglect and offers ways to revitalize its use in the church

Preaching from the Old Testament Elizabeth Rice Achtemeier, 1989-01-01 This book provides theological insights as well as practical sermon suggestions for preachers and seminary students It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament Singing and Suffering with the Servant David M. Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah s proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre exilic texts in response to exilic domination Secondly it treats the Old Testament as a rich resource for confronting racism and anti-Semitism though teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy **Companion to the Old Testament** Hywel

Clifford, 2016-10-31 This book provides intelligent enrichment for encounters with the Old Testament the first part of the Christian Bible There are chapters on its five main sections the Pentateuch the Historical Books Poetry and Wisdom the Prophetic Books and the Apocrypha Deutero Canon Each of the core chapters covers three areas an introduction to the general significance of each section in its ancient context a survey of major ways these sacred texts have been interpreted in the global history of Christianity and suggestions for how its texts apply to Christian ministry and mission today These areas

are often treated separately by scholars but this book usefully offers an integrated overview of these areas that will inform and inspire and serve the interests and needs of students and general readers alike

### **Preaching that Confronts**

**Confederate Monuments** David M. Stark, 2025-10-30 Confederate monuments preach at times subtly at other times overtly about who we are who God is and how we should live together David M Stark looks at the way many Confederate monuments provided ongoing opportunities for commemorative speeches and ceremonies that would entrench racist and white supremacist ideologies in the American South Stark examines key speeches and proclamations given around monuments to the Lost Cause such as Julian Carr's Silent Sam speech 1913 and Archer Anderson's speech at the dedication of a monument to Robert E Lee 1890 reading these as theological and homiletic moments Stark then moves on to construct a homiletic that can confront such monuments and the racist preaching ideologies around them In developing this counter homiletic Stark analyzes the preaching strategies written into Confederate monuments and highlights best practices from recent counter proclamations that deconstruct the troubling rhetoric and theology of Confederate monument dedication speeches Finally Stark presents insights from naming commission reports and clergy interviews about the values mission and leadership needed to work for ongoing change

**What We Love: Reflections on Ministry, Leadership, and Mission** Myk Habets, John Tucker, 2018-03-08 Leadership is a quality that often goes underappreciated or unrecognised in New Zealand church life But this is not how it should be Leadership is a godly and biblical quality and those with such gifts are to be celebrated and cherished This volume is a tribute to one such gifted leader Charles Hewlett eighth Principal of Carey Baptist College 2010

2017 Structured around the theme of What We Love a saying Charles would repeat often throughout his principalship faculty and students reflect on biblical theological and applied themes central to Christian thought and practice today More than an in house tribute this volume will be of interest and use to pastors and practitioners looking for considered reflections on ministry leadership and mission today     **The ^AOxford Handbook of the Bible in Orthodox Christianity** Eugen J. Pentiuc,2022-07-26 The Oxford Handbook of the Bible in Orthodox Christianity is designed to demonstrate how Orthodox Christian namely Eastern Greek Slavic Romanian Antiochene and Oriental Syriac Coptic Ethiopian and Armenian communities have received shaped and interpreted the Christian Bible The basic hallmark of Orthodox Christianity a unique mix of strictness tradition and flexibility innovation modernity is detectable at the level of text canon Scripture Tradition relationship and mostly in the area of biblical hermeneutics     *Faithfulness and Restoration* Timothy R. Escott,2023-12-06 The books of Ezra and Nehemiah are rarely taken seriously in Christian theological reflection To many modern readers the community restored after the Babylonian exile appears diminished legalistic and xenophobic What place do these books have in theology and practice today Timothy Escott charts a way forward for reading Ezra Nehemiah fruitfully as Christian Scripture By locating Ezra Nehemiah in the context of the canon and Christian theology and in conversation with interpreters old and new he argues that these books are best understood through a variety of Christian reading strategies Approaching the books figurally prophetically ethically and as part of a biblical story offers a mix of distinctive yet complementary perspectives Ezra Nehemiah portrays God s restorative work and God s people seeking to participate with him and live faithfully in the face of opposition and difficulty In this way Ezra Nehemiah is a rich resource for Christian life and faith today
