Bigger Is Better Bigger Is Better:

O'Mandingo! Eric Miyeni, 2006 Based on the controversial but popular e zine this collection of opinion pieces and essays analyzes current topics facing postapartheid South Africa including black economic empowerment affirmative action race poverty and affluence while also touching on such lighter topics as sports movies love and friendship Black pride strength unity and prosperity are central themes in these articles creating a unique picture of the current South African black consciousness movement **Fast Girls** Diana Amsterdam, 1990 **A Hopeful Earth** Sally Dyck, Sarah Ehrman, 2010 Explores the questions Who are we and Why are we interested in connecting Jesus to the care of creation **A Dictionary of Slang and Unconventional English** Eric Partridge, 2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers **Concept Research in Food Product Design and Development** Howard R. Moskowitz, Sebastiano Porretta, Matthias Silcher, 2008-02-28 Concepts are critical for the development and marketing of products and services They constitute the blueprint for these products and services albeit at the level of consumers rather than at the technical level A good product concept can help make the product a success by guiding developers and advertising in the right direction Yet there is a dearth of both practical and scientific information about how to create and evaluate concepts There has been little or no focus on establishing knowledge bases for concepts Concept development is too often relegated to the so called fuzzy front end Concept Research in Food Product Design and Development remedies this inattention to product concepts by providing a unique treatment of concepts for the business professional as well as for research scientists The book begins with simple principles of concepts moves forward to methods for testing concepts and then on to more substantive areas such as establishing validity testing internationally and with children creating databases and selling in new methods for concept testing The book combines a how to business book with a detailed treatment of the different facets of concept research As such the book represents a unique contribution to business applications in food and consumer research methods The book is positioned specifically for foods to maintain a focus on a coherent set of topics Concept Research in Food Product Design and Development appeals to a wide variety of audiences R D marketing sensory analysts and universities alike Corporate R D professionals will learn how to create strong concepts Marketers will recognize how concepts are at the heart of their business Sensory analysts will find the book a natural extension of their interest in product features University students will understand how concept research is a critical part of the consumer connection Concept Research in Food Product Design and Development is the definitive innovative text in describing how to create analyze and capitalize upon new product concepts Catalogue of Copyright Entries , 1916-07 Agriculture of Vermont Vermont. Marijuana Jorge Cervantes, 2004-03 Jorge's RX column a monthly feature in High Times Magazine solves growers problems with definitive clarity Here he compiles a selection of the best questions and answers from his column offering illuminating insights into frequently encountered and intriguingly rare dope growing difficulties The Mayakovsky Tapes Robert Littell, 2025-10-16 In March 1953 four women meet in Room 408 of Moscow's deluxe Hotel Metropol They have gathered to reminisce about Vladimir Mayakovsky the poet who in death had become a national idol of Soviet Russia In life however he was a much more complicated figure The ladies each of whom could claim to have been a muse to the poet loved or loathed Mayakovsky in the course of his life and as they piece together their conflicting memories of him a portrait of the artist as a young idealist emerges From his early years as a leader of the Futurist movement to his work as a propagandist for the Revolution and on to the censorship battles that turned him against the state and more ominously the state against him their recollections reveal Mayakovsky as a passionate complex sexually obsessed creature trapped in the epicenter of history struggling to hold onto his ideals in the face of a revolution betrayed Written by Robert Littell whom The Washington Post called one of the most talented most original voices in American fiction today period The Mayakovsky Tapes is an ambitious impressive novel that brings to life the tumultuous Stalinist era and the predicament of the artists ensnared in it

Wolfbane C. M. Kornbluth, Frederick Pohl, 2016-01-27 WE'RE GOING TO FIND OUT MORE AND THEN WE'RE GOING TO FIGHT It was enough to curdle the blood Haendl was proposing to fight against the invulnerable the almost godlike Pyramids Haendl stood up Tropile that's what this is all about He gestured around him Guns tanks airplanes it's going to be us against them Never mind the Sheep they don't count It's going to be Pyramids and Wolves and the Pyramids won't win And then He was glowing and the fever was contagious Tropile felt his own blood begin to pound Haendl hadn't finished his and then but he didn't have to It was obvious And then the Earth would go back to its own solar system and an end to the five year cycle of frost and hunger And then the Wolves would rule a world worth ruling This is a work of fiction All the characters and events portrayed in this book are fictional and any resemblance to real people or incidents is purely coincidental
