Dr. Paul Simpson Duke

Angels Tell Parables For Today 1973 Parables:

The Parables Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary s grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts The Parables A Preaching Commentary the third book in The Great Texts series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in The Great Texts series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching *Biblical Parables and Their Modern Re-creations* Gila Safran Naveh, 2012-02-01 In *Biblical Parables and Their Modern Re creations* Gila Safran Naveh carefully charts the historical transformation of these deceptively simple narratives to reveal fundamental shifts in their form function and most significantly their readers cognitive processes Bringing together for the first time parables from the Scriptures the synoptic Gospels Chassidic tales and medieval philosophy with the mashal the rabbinic parables commonly used to interpret Scripture this book brilliantly contrasts the rhetorical strategies of ancient parables with more recent examples of the genre by Kafka Borges Calvino and Agnon By using an interdisciplinary approach and insights from current semiotic linguistic psychoanalytic and gender theories Naveh reveals a dramatic social cultural and political shift in the way we view the divine

The Parables Brad H. Young, 2008-03 Young focuses on the historical development and theological significance of parables in the Jewish and Christian traditions examining parallels between the rabbinic and Gospel parables **The Angel of Christmas** C.G. Thompson, 2022-08-11 The stories you are about to read are fiction with some fictional characters However not all of the characters are fictional You will find real history and actual places woven into these tales The main characters in all of these stories are angels Angels are mentioned at least 273 times in the Scriptures The number of angels is incalculable They are created spirit beings which are invisible unless they wish to be seen and normally that is in human form They like us have free will There are several different types of angels with different assignments to carry out They all report to God their Father Today it seems many Christian people only desire to believe in a God of love and not a God of vengeance and punishment Yes God is love but He is other things as well People seem to mistake God s long suffering for a change from His Old Testament persona to one that makes Him seem like a hippy of the 1960s The Bible says that He is the same yesterday today and forever I can t visualize Him sitting on His throne making peace signs He wasn t a flower child in the Old Testament so neither is He today This book shows both a God of love and a God of justice In this collection of stories as well as in the Bible angels are sent to carry out His justice upon evildoers In both this book and the Bible angels are also

sent to show His love for His children **Angel in the Parlor** Nancy Willard,2014-04-22 This delightful collection brings together five short stories and eight essays on writing by Newbery Medal winning author Nancy Willard Nancy Willard s gift for bringing out the whimsical in all of us illuminates this memorable anthology Who Invented Water celebrates the craft and magic of creating children s books In Becoming a Writer Willard admits she dislikes giving and receiving advice She prefers telling a story with real life characters ranging from members of her own family to Jane Austen Rainer Maria Rilke and Charles Dickens on stilts The Well tempered Falsehood explores the fabulist art of storytelling The Rutabaga Lamp is a dreamy delightful riff on how to read and write fairy tales In an autobiographical piece Her Father s House Erica Theo and their three year old son travel home for the funeral of Erica s father As the whole family gathers the heroine is hit with an onslaught of memories Willard style The Tailor Who Told the Truth is Morgon Axel who tells nothing but lies until the day a wild boar comes into his shop This ebook includes an introduction by Robert Pack former director of the Bread Loaf Writers Conference *Angels* George J. Marshall,2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility **The Writers Directory** ,2003 *Writers Directory* NA NA,2016-03-05 *Angels of Light, Powers of Darkness* Stephen Noll,2003-04-25 Recent years have brought an unexpected revival of popular interest in angels Books professing to draw back the curtain on the unseen angelic world filled entire bookstore shelves Here as if to mock the cold universe of modernity were the stories of numerous and warm encounters with angelic beings But who are angels and what is their nature and purpose in the biblical scheme of things Are the biblical stories to be taken literally or symbolically or should they be relegated to another day and age How have the great theologians of the church regarded the angels And most important what are the nature and role of angels in God s cosmos and his redemptive plan Stephen Noll answers these questions in this detailed exploration of angels in the tapestry of Scripture Here is a biblical theological study of angels Satan and the powers that fills a significant gap and will command the attention of serious students of scripture New Testament Among the Writings of Antiquity Detlev Dormeyer,1998-07-01 In this useful work Dormeyer assesses the influence of Hellenistic culture upon the New Testament as a literary work There is no denying the impact of Jewish literature upon the New Testament but even those Jewish antecedents were themselves not infrequently imprinted with Hellenistic characteristics Dormeyer s method is to consider in turn the literary forms Gattungen of the New Testament

outlining with many examples the parallels between the New Testament and Hellenistic literature The Synoptic sayings for instance are closest in character to the Hellenistic gnome though the representation of Jesus as an eschatological and prophetic wisdom teacher shows a marked difference from other teachers of wisdom in Hellenistic circles Other areas of close correspondence with Hellenistic literature lie in the form and rhetoric of the New Testament epistles and in the structure of the Gospels which invoke the canons of Hellenistic historiography and biography Throughout Dormeyer is at pains to stress the contours of the special quality of the New Testament literature as the product of a quite small community that nevertheless brought into being a number of authors of exceptional talent
