A Vicious Cycle Justin Witte,2003 This book is about my relationship with another addict I am an alcoholic and I have used every drug there is People told me at times in my life that I was incapable of getting sober but I eventually did but this book is about how I was just as powerless over another person as I was over my own drinking I was an extremely hostile person for a big part of my life and I was someone who could either be extremely loving or extremely cruel My cruelty was all with my words I have had doctors and psychiatrists ask me how I think of the insults that I think of but this book is about my definition of love wanting the best for someone and taking the necessary steps to carry that out and because of what I learned in this story I try and practice that with everyone today

You Can't Make Me Angry Dr. Paul O.,2022-01-14 And acceptance is the answer to all my problems today You may already know of Dr Paul s simple yet profound wisdom in the frequently quoted passage from his story in the Big Book of Alcoholics Anonymous Dr Paul continues sharing his experience strength and hope in this his second book You Can t Make Me Angry By the time you put this book down you will be convinced that people and circumstances don t make us angry we make ourselves angry People can t make us angry unless we let them We alone are responsible for our feelings A measure of the effectiveness of communication is the result it produces If you don t like the results you are getting when communicating with another person there s a great deal you can do about it I m not willing to let any thing or any person put my physical sobriety at risk why should I put less value on my emotional sobriety For physical sobriety we had to give up drinking and for emotional sobriety we have to give up blaming others No longer can we say You made me angry Instead we must accept personal responsibility for our emotional state This much responsibility may seem extreme yet in fact it is a great freedom Henceforth no person or situation can upset us if we don t give them or it permission to do so What could be a greater freedom than that Emotional maturity is like serenity The first time I felt serene I wondered what was happening but I liked the feeling and wanted more The more I got the more I wanted Serenity is addictive
