Abused Victimized Traumatized An Idiots Guide To Management:

Abused, Victimized, & Traumatized Dazed, Crazy and Confused, 2002-01-07 HAVE YOU EVER WORKED FOR AN IDIOT While the characters and events in this book are fictitious most people will point to at least one story and say That happened to me or I worked for that Idiot WHY BUY THE BOOK The current book presents examples as though a manager would actually adopt these with this adoption creating an Idiot manager A sampling of some lessons for managers If you can't dazzle them with brilliance then confuse them with the absurd A happy employee is a conspiring employee When an employee makes an accusation ask a question This diverts attention from you and raises the issue of whether the employee is capable of knowing anything If the company wanted employees to have personal lives then it would have issued personal lives Through the use of mental torture you can achieve both physical and mental disturbances in employees yet you're not liable for physical torture If you've ever worked for an idiot then this book will hopefully provide some insight into the making of an idiot manager and in the process provide some laughter **Abused, Victimized, and Traumatized** Dazed, crazy, and confused, 2001 HAVE YOU EVER WORKED FOR AN IDIOT While the characters and events in this book are fictitious most people will point to at least one story and say That happened to me or I worked for that Idiot WHY BUY THE BOOK The current book presents examples as though a manager would actually adopt these with this adoption creating an Idiot manager A sampling of some lessons for managers If you can't dazzle them with brilliance then confuse them with the absurd A happy employee is a conspiring employee When an employee makes an accusation ask a question This diverts attention from you and raises the issue of whether the employee is capable of knowing anything If the company wanted employees to have personal lives then it would have issued personal lives Through the use of mental torture you can achieve both physical and mental disturbances in employees yet you're not liable for physical torture If you've ever worked for an idiot then this book will hopefully provide some insight into the making of an idiot manager and in the process provide some laughter

Lessons In Terror Michael A. Brown, 2005-03-17 Lessons In Terror is a fictional story of an agent's whose family is killed in a terrorist attack The story parallels the agent's investigation of the terrorist attack and subsequent attacks with the planning of the attacks by terrorists The terrorists are given personalities rather than remaining as faceless enemies As the agent progresses in his investigation there is the growing sense that Americans may have aided the terrorists *Abused, Victimized, and Traumatized* Crazy Dazed (and Confused), 2002-02 IS YOUR FORMER SPOUSE AN IDIOT While the characters and events in this book are fictitious most people will point to at least one story and say That happened to me or That's my former spouse WHY BUY THE BOOK Here are some sample lessons that the divorced idiot can learn Practice makes perfect A secondary lesson being that a dead ex spouse limits your liability Don't just infect your former spouse infect a whole population Deny everything and then make counter allegations While the marriage may be over the divorce will never be over until death When you don't feel inclined to discuss religion and politics with your future spouse then a divorce

may turn your head especially if your former spouse is into Voodoo A rumor has to contain just enough truth to be believable Never miss the opportunity to bury the hatchet Dating your soon to be former spouse s attorney ensures a speedy trial If your former spouse is an idiot then this book will hopefully provide some insight into the making of a divorced idiot and in the process provide some laughter
