Behind Turkish Lattices Behind Turkish Lattices:

Behind Turkish Lattices Hester Donaldson Jenkins, 1911 **Women in Dialogue** Dilek Direnç, Günseli Sönmez
İşçi, 2009-03-26 Women in Dialogue M Uses of Culture results from an international symposium held at Ege University Izmir Turkey in 2006 which brought together scholars from over ten countries and from multiple academic backgrounds who share professional interest in women s studies and to no less degree in current women s realities The book presents a collection of essays united by a common focus on the position of women as objects of cultural production in different geographic national and political contexts as well as the character and typology of women s contribution to cultural activity across the ethnic or religious divide marking the face of contemporary world The volume comprises two sections the first titled Women in Dialogue contains contributions which analyze literary representations of women from a variety of perspectives and from diverse spatial and temporal locations The second part titled M Uses of Culture includes personalized observations by several women writers of both poetry and fiction their commentaries on their own work as artists and their deeply experienced musings on the position of women as artists in the world of today The essays that this volume brings together are varied in subject matter yet they are connected by the common theme epitomized in the metaphor of dialogue as a platform for active productive communication leading on the pages of the book if not elsewhere to learning and mutual understanding
