Beyond the Rainbow Promise Robert M. Ottman, 2016-10-04 The storms of life they are yours and they are mine These storms can seemingly take on a life all of their own controlling the minute to minute that then become our lives They bring about outcomes we don't want leaving chaos and pain in their wake What happens to the human spirit when catastrophe strikes unannounced This is a story about a mournful soul who loses his footing as he journeys against formidable foes The kind of foes that threaten life as we know it It is the story of a giving God who loves us in spite of ourselves It is a story that defines who we become This is my story It is a real life story about the storms of life the catastrophic kind the kind that threatens life the kind that creates unprecedented chaos It is the story about a young woman and her battle against a formidable foe an enemy so strong that it wreaks havoc on the human form It is the story about a move to a new land amidst the chaos that ensues and a young child who develops suspicious symptoms foretelling a future no one asked for or wanted This is not another self help book from a leading and studied expert I am not that guy I did want to write a meaningful story one that I lived and partner it up with soulful and heartfelt thoughts and insights that will resonate with you and help you find your own way forward through some kind of adversity should it land on your doorstep unannounced After all we are all in this game of life together Beyond The Rainbow Promise is a heartfelt journey through the darkest of days where lives hung in the balance and life as I knew it was at risk Multiple attacks on my spirit beat me so low I think I'll never get back up and face another painful day So what happens to my heart my spirit as I journeyed through the darkest of days And where was God when I needed Him most

Garst,2016-10-01 Women have made great strides toward equal rights over the past hundred years especially in the West But when considering the ongoing fight over reproductive rights and equal pay and the prevalence of sexual violence and domestic abuse it is clear that a significant gap still exists With scripture often cited as justification for the marginalization of women it is time to acknowledge that one of the final barriers to full equality for women is religion Much has been written about the great strides humankind has made in knocking down many long held religious beliefs whether related to the age of the earth or the origin of the species But religion s negative impact on women has been less studied and discussed This book is a step toward changing that Twenty two women from a variety of backgrounds and Judeo Christian traditions share their personal stories about how they came to abandon organized religion and how they discovered life after moving away from religious and supernatural beliefs Their words serve both as a celebration of all who have taken similar steps under the weight of thousands of years of religious history and as a source of inspiration for those individuals especially women who have deep doubts about their own belief traditions but who don t yet know how to embrace life without falling back on religion
