Being A Pilgrim Art And Ritual On The Medieval Routes To Santiago:

Being a Pilgrim Kathleen M. Ashley, Marilyn Deegan, 2009 The Way of St James has been a pilgrimage event for over 1000 years as people have flocked to the site of the burial of the apostle St James the Great This book captures the experience of the medieval pilgrim through an examination of art historical and social contexts as well as themes related to pilgrimage such as music legend and ritual

The Camino Made Easy: Reflections of a Parador Pilgrim Olivia Pittet, 2018-11-21 The Camino Made Easy Reflections of a Parador Pilgrim relates three fascinating culturally rich journeys on the Way of St James or the Camino through Spain and Portugal to Santiago de Compostela This personal practical and informational story testifies to the advantages of doing the Camino on a walking tour while offering fresh perspectives on this long distance medieval pilgrimage route for pilgrims and tourists alike Olivia Pittet describes stunningly varied landscapes including the Basque country the Rioja wine region and Celtic Galicia as well as the World Heritage cities of Burgos Le n and Santiago while gradually unfolding the Camino s extraordinary cultural legacy and religious history its present day relevance and its enduring appeal She recalls what it was like to walk over one hundred miles on each journey interweaving her Chaucer style interactions with her fellow pilgrims her love of landscape and her special interest as a former medievalist in the Camino s literature and legends Olivia also interjects her own tale tracing her unexpected spiritual journey from its initial stumbling blocks to a developing sense of pilgrimage the closer she came to Santiago where there are as many answers waiting to be found as there are ways of walking the Camino Beautifully written and deeply felt this rich fusion of pilgrimage and personal narrative landscape and cultural legacy literature and legend vibrantly re creates the Camino anew

Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen, 2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual s self orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women s movement through the larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen s activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis

"Architecture and Pilgrimage, 1000?500 " Deborah Howard, 2017-07-05 Although there is an obvious association between pilgrimage and place relatively little research has centred directly on the role of architecture Architecture and Pilgrimage 1000 1500 Southern Europe and Beyond synthesizes the work of a distinguished

international group of scholars It takes a broad view of architecture to include cities routes ritual topographies and human interaction with the natural environment as well as specific buildings and shrines and considers how these were perceived represented and remembered The essays explore both the ways in which the physical embodiment of pilgrimage cultures is shared and what we can learn from the differences The chosen period reflects the flowering of medieval and early modern pilgrimage The perspective is that of the pilgrim journeying within or embarking from Southern Europe with a particular emphasis on Italy The book pursues the connections between pilgrimage and architecture through the investigation of such issues as theology liturgy patronage miracles and healing relics and individual and communal memory Moreover it explores how pilgrimage may be regarded on various levels from a physical journey towards a holy site to a more symbolic and internalized idea of pilgrimage of the soul

The Book of Margery Kempe Margery Kempe, 2015-02-12 Alas that I ever did sin It is so merry in Heaven The Book of Margery Kempe c 1436 8 is the extraordinary account of a medieval wife mother and mystic Known as the earliest autobiography written in the English language Kempe s Book describes the dramatic transformation of its heroine from failed businesswoman and lustful young wife to devout and chaste pilgrim She vividly describes her prayers and visions as well as the temptations in daily life to which she succumbed before dedicating herself to her spiritual calling She travelled to the most holy sites of the medieval world including Rome and Jerusalem In her life and her boisterous devotion Kempe antagonized many of those around her yet she also garnered friends and supporters who helped to record her experiences Her Book opens a window on to the medieval world and provides a fascinating portrait of one woman s life aspirations and prayers This new translation preserves the forceful narrative voice of Kempe s Book and includes a wide ranging introduction and useful notes ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Bones and Identity Nimrod Marom, Reuven Yeshuran, Lior Weissbrod, Guy Bar-Oz, 2016-07-31 Seventeen papers demonstrate how zooarchaeologists engage with questions of identity through culinary references livestock husbandry practices and land use Contributions combine hitherto unpublished zooarchaeological data from regions straddling a wide geographic expanse between Greece in the West and India in the East and spanning a time range from the latest part of the Palaeolithic to the Middle Ages The vitality of a hands on approach to data presentation and interpretation carried out primarily at the level of the individual site the arena of research providing the bread and butter of zooarchaeological work conducted in southwest Asia is demonstrated Among the themes explored are shifting identities of late hunter gatherers through interactions with settled agrarian societies the management of camp sites by early complex hunter gatherers processes of assimilation of Roman culinary practices among Egyptian elites and the propagation of medieval pilgrim identity through the use of seashell
