Believe Me Im Lying:

Believe Me, I'm Lying Jose M. Gonzalez,2015-07-24 Believe Me I m Lying is a collection of poems about romance heartache and every emotion in between **Believe Me, I'm Lying** Jordan Lynde, **Would You Believe Me?** Mariah Shepherd,2017-01-31 Sixteen year old Rose Mendez has the same dream every night Shes at a playground with her little brother Gabe Gabe wants to play hide and seek so she tells him to go hide The problem is she never finds him Her parents tell her to call the cops A body is eventually discovered but Rose doesnt believe its little Gabe She wakes up screaming Its too bad the dream really happened Now her parents are dead too and Rose is being fostered by the Johnson family and their creepy son Despite her bad luck her first day at Riverview High School starts out all right She finds a friend in Cameron and a friend is what she needs since she thinks Gabe is still alive and shes made it her mission to find him There are people who think shes crazy After all they found Gabes body and the DNA was a match Rose has a theory though about what really happened that day at the playground As she copes with the loss of her parents and brother she becomes more and more obsessed with the investigation Question is who will believe her story Regressions Mark Allard,2012-09-07 What if you woke up in a different reality In an alternate version of you And when you next close your eyes and open them you are in yet another alternate version of yourself Regressions tells the story of a man caught up in such a journey A journey through the timestreams A journey he is unable to control As he begins to map out these adventures patterns emerge which suggest the choices he makes in one reality have consequences in the rest If he can figure out why this is happening and what he is intended to learn he may be able to end it He can settle down in a nice cozy seaside cottage with his love the giant dragonflies and all the peace and calm and panic he could ask for But which reality is home Regressions is a work that reaches far beyond the realm of storytelling It is a return to an ancient form of spiritual philosophy a tool to assist the workings of the soul the first step of realignment to the natural order of beingliving through your authentic voice Benjamin Pearson from the Foreword **Little White People** P. J. Smith,2021-04-26 Imagine with me If you will you are a child in an abusive family situation Late one night you are called down from your bed and beat terribly The beating was not the first time and more than likely not the last The abuser sends you back to your bed with a broken and bruised body and spirit Looking forward to what life holds for you you see a grim future and nothing good happening You have finally climbed those fifteen steps reached your bed lay down and suffered Then out of the attic walk these creatures You are not sure what or who they are but they are the same shape as you They are all white have hands feet eyes mouth and nose They are no taller than you What would you call them Me I call them my Little White People Now this is not the first time they have come out to visit And like any child when they walk toward the bed you cover up your head But this time you are not afraid When they come over you have decided to touch and walk with them Somehow they take your pain away just because you decided to join them Imagine now being gently pushed toward the attic door Somehow one of the Little White People transforms the door which

leads to You are not sure but you are willing to take a step hoping for something better Imagine what might be if only a little boy reached out to touch a finger **The Taste of Apples** Huang Chun-ming,2001-04-18 From the preeminent writer of Taiwanese nativist fiction and the leading translator of Chinese literature come these poignant accounts of everyday life in rural and small town Taiwan Huang is frequently cited as one of the most original and gifted storytellers in the Chinese language and these selections reveal his genius In The Two Sign Painters TV reporters ambush two young workers from the country taking a break atop a twenty four story building His Son s Big Doll introduces the tortured soul inside a walking advertisement and in Xiaoqi s Cap a dissatisfied pressure cooker salesman is fascinated by a young schoolgirl Huang s characters generally the uneducated and disadvantaged who must cope with assaults on their traditionalism hostility from their urban brethren and of course the debilitating effects of poverty come to life in all their human uniqueness free from idealization *Trust Me, I'm Dead* Sherryl Clark,2019-07-25 She hasn t seen her brother in years Now he s dead When Judi

Westerholme finds out her estranged brother has been murdered she assumes it s connected to his long term drug addiction Returning home she is shocked to discover he had been clean for years had a wife now missing and a child and led a respectable life But if he had turned his life around why was he killed in a drug deal shooting And where is his wife Desperate to know what really happened Judi sets out to uncover the truth even though it means confronting her own traumatic past But she s not the only one looking for answers With a gutsy unapologetic protagonist *Trust Me I m Dead* is a gritty and bold crime thriller that explores the sacrifices people will make for their families **The Hit** Neil Harris,2013-10-30 Heidi Fraumeister inherited her fathers business empire and became a millionairess overnight While on a sailing holiday around the Canary Isles she is spotted by Jack Towney who assumes the alias of James De Villiers in order to impress her They become entangled in a passionate relationship and are quickly married Heidi insists on a pre nuptial agreement to safeguard her fortune which Jack gladly signs but in the months that follow the gloss of the relationship suddenly tarnishes and Jack needs to find a way out without losing the lavish life style being married to Heidi affords Divorce would leave Jack back where he started poor and lonely He hatches a plan to have Heidi killed by a professional hit man and engages old friends Michael and Patrick Flannigan to provide the assassin However with a huge sum of money on offer greed takes over and in the end the Flannigan brothers decide to carry out the kill themselves The Hit follows the two bungling hit men as they try to kill off the millionairess to save their friend losing claim to her fortune Despite numerous failed attempts they eventually manage to commit the murder they were being paid for but not with the outcome they had anticipated

Get Out of My Life Suzanne Franks,Tony Wolf,2014-12-11 Teenagers are tough and anyone who has their own needs help Witty enjoyable and genuinely insightful *Get Out of My Life* is now updated with how to deal with everything from social media to online threats and porn as well as looking at all the difficult issues of bringing up teenagers school sex drugs and more But it s the title of the second chapter What They Do and Why that best captures the book s spirit and technique

explaining how to translate teenage behaviour into its true often less complicated meaning One key mistake for instance is getting in no win conflicts instead of having the wisdom to shut up when shutting up would be the most effective albeit least satisfying thing to do Another is taking offence when the teenager views you the adult as idiotic And there s advice on what to do when this happens The message is clear parenting adolescents is inherently difficult Don t judge yourself too harshly
