Breaking Ranks A Political Memoir:

Breaking Ranks Norman Podhoretz, 1979 **Breaking Ranks** Norman Podhoretz, 1980 Political Conversion Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities Losing Ground (10th Anniversary Edition) Charles Murray, 2008-08-04 This classic book serves as a starting point for any serious discussion of welfare reform Losing Ground argues that the ambitious social programs of the 1960s and 1970s actually made matters worse for its supposed beneficiaries the poor and minorities Charles Murray startled readers by recommending that we abolish welfare reform but his position launched a debate culminating in President Clinton s proposal to end welfare as we know it **The Conservative Intellectual Movement in America Since 1945** George H. Nash, 2014-04-08 First published in 1976 and revised in 1996 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the volume s thirtieth anniversary includes a new preface by Nash and will continue to instruct anyone interested in how today s conservative movement was born Neoconservatism Justin Vaïsse, 2011-03-18 Presents neo conservatism in three ages covering the history and illuminating core developments including the split of liberalism and the shifting relationship of party affiliation and foreign policy position **A Better World** William L. O'Neill, 2020-09-29 This book chronicles the struggle among non Communist leftists and liberals over American relations with the Soviet Union from 1939 through the 1950s Few now care as passionately and as violently as people did then about Soviet American relations It was a time when friends became enemies and others forged strange alliances all in the name of commitments that today seem remote A Better World evokes those times and their choices and explains why these long ago battles still arouse such deep feelings today and should Americans who were pro Soviet without being members of the Communist party progressives as they called themselves had a large emotional investment in the Soviet Union From 1935 to 1939 literally millions joined the Popular Front of pro Soviet organizations O'Neill takes us through the shock of the Stalin Hitler pact of 1939 through the revival of

the Popular Front spurred by government and business support after Russia entered the war against Hitler He traces the isolation of the anti Stalinists the rise and fall of Henry Wallace and the eclipse of progressivism And he explores the shifting allegiances of intellectuals as they struggled often with each other to influence the course of public debate with long lasting consequences for American intellect culture and morals As O Neill observes in his introduction More than any of my other books A Better World inspired correspondents to send me probing or reflective letters It was this response along with the extraordinary critical debate spurred by initial publication of this volume that makes the book s continuing importance clear The dream of achieving a better world through radical violence never dies and the willingness of apologists to cling to utopian visions persists As long as it does the lessons of this book need to be available to us Idols for Destruction Herbert Schlossberg,1993-06-15 This analysis of current events examines the wrong beliefs America has held supreme idols that are to blame for our nation s decay and suggests how our culture can be healed **Norman Podhoretz and Commentary Magazine**

Nathan Abrams,2011-10-27 What does the term neoconservative mean Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism s leading thinker Norman Podhoretz and the magazine he edited for 35 years Commentary Podhoretz has been described as the conductor of the neocon orchestra and through Commentary Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of Commentary magazine including Podhoretz s private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism

Party Coalitions in the 1980s Seymour Lipset,2017-07-05 The election of 1980 did more than break the Democrats control of the White House and Congress It also shattered some important assumptions about the character of our voting coalitions and the condition of our political parties It opened some possibilities for the remainder of the century that had not been there before These reflections by David S Broder in the introduction to Party Coalitions in the 1980s are echoed in the essays of the twenty one scholars party leaders and candidates in the volume This book presents a detailed and lively discussion of the past history present significance and future implications of coalitions in the American two party political system Patrick H Caddell observed that Reagan has skillfully huddled a variety of conservative program and issue initiatives under the umbrella of economic revitalization In that vein Richard B Wirthlin argued that the 1980 presidential election should be viewed as a major opportunity to redraft the policy agenda of this country Realizing that change is one of the few constants in politics Lipset and his colleagues set forth strategies and guideposts for Republicans and Democrats who sought to build winning coalitions for the elections of the 1980s

Breaking Ranks A Political Memoir Introduction

In the digital age, access to information has become easier than ever before. The ability to download Breaking Ranks A Political Memoir has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Breaking Ranks A Political Memoir has opened up a world of possibilities. Downloading Breaking Ranks A Political Memoir provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Breaking Ranks A Political Memoir has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Breaking Ranks A Political Memoir. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Breaking Ranks A Political Memoir. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Breaking Ranks A Political Memoir, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Breaking Ranks A Political Memoir has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
