Stephenson, 2022-10-13 In the midst of a culture that is increasingly confused about sexuality love life and our very identity as persons the Church offers us the truth of who we are For women this truth is rooted in motherhood not just biological but even more spiritual because women are the bearers and nurturers of life Yet it s difficult to understand and defend the true value of motherhood when the lies that permeate secular culture have seeped into our own way of thinking even in the Church Reclaiming Motherhood from a Culture Gone Mad helps Catholics to peel back societal assumptions to understand the fundamental misconceptions fueling our culture s attacks on marriage motherhood and the family Examining current practices in light of these faulty assumptions will empower women in their own motherhood and equip Catholics to combat the culture of confusion by boldly proclaiming God s vision for our lives This book offers a deep dive into what the Church teaches on motherhood and its dignity equipping us to understand the WHY behind those teachings It is only by living within a vision that honors the self gift of motherhood as the pinnacle of womanhood that love and not self interest can begin to reorder our lives **Beloved and Blessed: Biblical Wisdom for Family Life** Kimberly Hahn, 2021-10-19 What is the secret to a strong marriage and family The answer is simple and difficult at once Proverbs 31 tells us that a wife who loves the Lord with all her heart can fully give herself to her spouse and children In *Beloved and Blessed Biblical Wisdom for Family Life* Kimberly Hahn provides insight into the most important relationships in a woman s life In this six part Bible study discover Scripture Catholic teaching and practical wisdom that will shape your understanding of Marital intimacy Responsible Parenthood Financial Planning Discipline Faith Formation and Educating Children Perfect for personal or group use *Beloved and Blessed* will help you transform your home into a place of deep and abiding love **Leaving and Coming Home** David M. The volume offers original and engaging essays on a variety of topics from the hook up culture and dating violence to cohabitation and homosexuality to contraception and natural family planning to the promises and pitfalls of the theology of the body. The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture. The essays also offer practical insights and models that will interest pastors and lay ministers as well as scholars.

Mothers at the Margins Jenny Jones, Marie Porter, Lisa Raith, 2015-06-18 In the last two decades maternal scholarship has grown exponentially. Fellowship of Catholic Scholars Quarterly, 2006 *Natural Family Planning: The Complete Approach* John and Sheila Kippley, 2009-03-11 The right and healthy way to achieve or postpone pregnancy Cover **American Book Publishing Record**, 2003 *Catholic Theology of Marriage in the Era of HIV and AIDS* Emily Reimer-Barry, 2015-04-09 Marriage for Life begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles. The eight women interviewed in Chicago Illinois USA shared their stories of marriage of family life of church involvement and of living with HIV. Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context. After listening to and learning from these women's experiences Reimer Barry constructs a theology of Christian marriage that is life giving in a world with AIDS. While Catholic teachings have developed and now affirm the equal dignity of women and men troubling legacies of women's subordination remain embedded in liturgical practices and theological texts. Arguing that self care is an indispensable component of a healthy marriage Reimer Barry constructs a life affirming theology of marriage that is sensitive to the struggles of her collaborators. She argues that marriage for life must promote the full flourishing of both partners respect wives as equal partners with their husbands and offer a coherent and empowering sexual ethic. Building on the wisdom of her collaborators lived experiences Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS arguing that church communities should promote comprehensive sexual education affirm both abstinence and condom use for HIV prevention and actively work to reduce stigmatizing behaviors within church communities. She also unpacks the implications of marriage for life for Catholic liturgical practice marriage preparation programs sexual education programs and family ministries. Modeling her method on what Pope Francis calls the art of accompaniment Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is
