Breath Of Spring Seasons Of The Heart:

Forbidden Love Mehdi Behpou, 2015-03-04 The story that you are about to read is about an affair with lots of feelings To express those feelings it is enhanced with poetry The events are in different places and those places are real as described The relationship was normal between a man and a woman and so the expected events from the beginning to the end From the start it seemed like a triumph that would last for a very long time so for as it may it did happen This story would not be strange to many and it will bring the readers memories of love in their lives It starts with a casual and simple contact to strong love events The events express thoughts and imaginations that most people have had in their lives We are always victims of what we put ourselves through and this is no different however it is up to the reader to make that judgment as who the victim is This summary will not tell the story You have to read through the story and the events That is what I want readers to do **Listen with Your Heart** Irene Mae Harmon, 2005-09 Seasons of the Heart Celeste
