demographics in the world The challenge is great as are the sacrifices of living there yet the Lord can do much with a willing follower So what if choosing to live in a slum is a way to become closer to Jesus Beyond Our Walls provides a unique window into what ministry in an urban slum setting can look like The author shares the amazing story of God s faithfulness in her life as she follows Jesus into the slums of Jakarta Indonesia and still lives there twelve years later with her husband and two young sons Not only have her Muslim neighbors had an opportunity to get to know a follower of Jesus but the author herself has been forever changed by her experiences Readers will be moved and challenged by this book It provides an intriguing testimony that will appeal to those interested in Muslim Christian relations And women already on the mission field will find it especially encouraging as the author reflects on the difficult aspects of mothering on the field and the faithfulness of Jesus through the hard years of parenting small children While life in the slums is often hard the joys are many as well **Window**
