Brief History Of Nan Ming Chinese Edition:

The Forgotten Christians of Hangzhou David E. Mungello, 1994-01-01 Based on manuscripts from the once inaccessible former Jesuit library of Zikawei in Shanghai this book breaks new ground in focusing on the generation that followed Matteo Ricci and other luminaries of the early China mission Unusual in its coverage of both Jesuits and their Chinese literati converts *The Forgotten Christians of Hangzhou* traces the development of the Christian presence in seventeenth century Hangzhou through the work of Jesuit fathers Martino Martini and Prospero Intorcetta and Confucian scholar Zhang Xingyao whose struggle to demonstrate the compatibility of Neo Confucianism with the Lord of Heaven Teaching from the Far West forms the focus of D E Mungello s penetrating study Zhang and his fellow literati converts were in almost all respects highly orthodox Confucians who nevertheless regarded Christianity as complementary to and in some respects transcending Confucianism Their search for an intellectual blending of the two religions shows that contrary to important recent studies Christianity was inculturated into seventeenth century China far more than has been realized Prior to their dissolution at the hands of a hostile imperial government a century later the Hangzhou Christians had built one of the most beautiful churches in East Asia a seminary for training young Chinese priests a library and printing center and a Jesuit cemetery The church and cemetery have since been reopened and the works of Hangzhou Christians are preserved in libraries in Shanghai Beijing and Paris These architectural and literary monuments help reconstruct the features of one of China s most colorful and historical cities and the experiences of some of her most remarkable inhabitants *The Forgotten Christians of Hangzhou* not only tells us their story but adds a new dimension to our knowledge of the assimilation of Christianity by Chinese culture a process that is still under way today

History of Humanity: From the sixteenth to the eighteenth century Peter Burke, Sigfried J. de Laet, 1994 The fifth volume of the this series examines historical events and cultural social and political structures which were introduced between the 16th and 18th centuries [China's Second Capital - Nanjing under the Ming, 1368-1644](#) Jun Fang, 2014-05-23 This book is a study of the dual capital system of Ming dynasty China 1368 1644 with a focus on the administrative functions of the auxiliary Southern Capital Nanjing It argues that the immense geographical expanse of the Chinese empire and the poor communication infrastructure of pre modern times necessitated the establishment of an additional capital administration for effective control of the Ming realm The existence of the Southern Capital which has been dismissed by scholars as redundant and insignificant was the author argues justified by its ability to assist the primary Northern Capital better control the southern part of the imperial land The practice of maintaining auxiliary capitals where the bureaucratic structures of the primary capital were replicated in varying degrees was a unique and valuable approach to effecting bureaucratic control over vast territory in pre modern conditions Nanjing translates into English as Southern Capital and Beijing as Northern Capital **A History of Shaolin** Lu

Zhouxiang, 2019-03-18 Shaolin Monastery at Mount Song is considered the epicentre of the Chan school of Buddhism It is

also well known for its martial arts tradition and has long been regarded as a special cultural heritage site and an important symbol of the Chinese nation This book is the first scholarly work in English to comprehensively examine the full history of Shaolin Monastery from 496 to 2016 More importantly it offers a clear grasp of the origins and development of Chan Buddhism through an examination of Shaolin and highlights the role of Shaolin and Shaolin kung fu in the construction of a national identity among the Chinese people in the past two centuries

China's Conquest of Taiwan in the Seventeenth Century Young-tsu Wong, 2017-08-05 This is the first book to comprehensively cover the historical process leading to Taiwan s integration with Mainland China in the seventeenth century As such it addresses the Taiwan question in the seventeenth century presenting for the first time the process leading to the island s integration with the mainland through the story of the Zheng family and Admiral Shi Lang The author has confirmed Zheng Chenggong Koxinga s Ming loyalism and his politicization of the conflicts on the China coast Thus the author concludes that Zheng was a revolutionary traditionalist who transformed sheer violence into a political movement in an unprecedented way He politicized the entire region and paved the way for the inevitable conflict with Mainland China After repeated political talks had failed the rising Qing China decided to take Taiwan by force Though seaborne warfare was a formidable task at the time the man who overcame these difficulties and completed the seemingly impossible mission was none other than Admiral Shi Lang The book provides a new and more justifiable assessment of the Admiral s contribution to the conquest of Taiwan and pacification of coastal unrest The book will be of interest to general readers as well as specialists researching security and warfare on the China coast

Imperial Stewards K. Ian Shin, 2025-07-22 From the Gilded Age to World War II elite collectors and museums in the United States transformed from owning a smattering of Chinese porcelain as curios to possessing some of the world s largest and most sophisticated collections of Chinese art Imperial Stewards argues that beyond aesthetic taste and economics geopolitics were critical to this transformation Collecting and studying Chinese art and antiquities honed Americans belief that they should dominate Asia and the Pacific Ocean through the ideology of imperial stewardship a view that encompassed both genuine curiosity and care for Chinese art and the enduring structures of domination and othering that underpinned the burgeoning transpacific art market Tracing both transatlantic

and transpacific networks across the Pacific and the Atlantic K Ian Shin uncovers a diverse cast of historical actors that both contributed to US imperial stewardship and also challenged it including Protestant missionaries German diplomats Chinese Hawaiian merchants and Chinese overseas students among others By examining the development of Chinese art collecting and scholarship in the United States around the turn of the twentieth century Imperial Stewards reveals both the cultural impetus behind Americans long standing aspirations for a Pacific Century and a way to understand and critique the duality of US imperial power around the globe

On the Trail of the Yellow Tiger Kenneth Swope, 2018-07-01 The Manchu Qing victory over the Chinese Ming Dynasty in the mid seventeenth century was one of the most surprising and traumatic developments in China s long history In the last year of the Ming the southwest region of China became the base of operations for the notorious leader Zhang Xianzhong 1605-47 a peasant rebel known as the Yellow Tiger Zhang s systematic reign of terror allegedly resulted in the deaths of at least one sixth of the population of the entire Sichuan province in just two years The rich surviving source record however indicates that much of the destruction took place well after Zhang s death in 1647 and can be attributed to independent warlords marauding bandits the various Ming and Qing armies vying for control of the empire and natural disasters On the Trail of the Yellow Tiger is the first Western study to examine in detail the aftermath of the Qing conquest by focusing on the social and demographic effects of the Ming Qing transition By integrating the modern techniques of trauma and memory studies into the military and social history of the transition Kenneth M Swope adds a crucial piece to the broader puzzle of dynastic collapse and reconstruction He also considers the Ming Qing transition in light of contemporary conflicts around the globe offering a comparative military history that engages with the universal connections between war and society

Amid the Clouds and Mist John E. Herman, 2020-03-23 In 1200 what is now southwest China Guizhou Yunnan and the southern portion of Sichuan was home to an assortment of strikingly diverse cultures and ruled by a multitude of political entities By 1750 China s military political sociocultural and economic institutions were firmly in control of the region and many of the area s cultures were rapidly becoming extinct One purpose of this book is to examine how China s three late imperial dynasties the Yuan Ming and Qing conquered colonized and assumed control of the southwest Another objective is to highlight the indigenous response to China s colonization of the southwest particularly that of the Nasu Yi people of western Guizhou and eastern Yunnan the only group to leave an extensive written record

Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Brief History Of Nan Ming Chinese Edition : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
