Beginnings The First Seven Days Of The Rest Of Your Life:

Beginnings Steve Wiens, 2016-01-01 Have you ever found yourself at the beginning of a big life change Maybe you're getting married or divorced Maybe you're having a child or burying a parent Maybe you've been promoted or lost a job you loved Maybe you've moved maybe you feel stuck These big changes hit us hard it's easy to lose our way It's easy to think that God is leaving us alone in them The good news is that the God who spoke the world into existence who lovingly brought into being everything seen and unseen is speaking into your big change Drawing from the story of creation in Genesis **Beginnings** offers an empowering message of how God works through the transition in our lives As God orchestrated the ultimate transition when he created everything from nothing he can handle the overwhelming details in your life **Beginnings** is for everyone who faces significant transition in career in relationships in life stage whether good or bad By exploring the first chapter in Genesis day by day creative act by creative act Steve Wiens shows us how beginnings work and how God works through our beginnings

Words from the Hill Stu Garrard, 2017-04-18 A disruptive and surprising journey through the Beatitudes Most of the time life doesn't work out like we expect it will We spend time and energy trying to climb some sort of spiritual ladder oblivious to the fact that it is God who is moving toward us We want answers to our problems yet what is offered is presence What if we were to become united with our brokenness rather than our victories What if God moves closest to us in the absence of the ache and the longing **Words from the Hill** turns each beatitude on its head to see the unexpected beneath the understood diving into the story of a woman on death row to speak about mercy personal stories from the Israeli Palestinian conflict to talk about peace and much more Stu Garrard has walked with these people in their stories and he vulnerably offers his own as he unpacks the Good News of the Beatitudes God is on your side and He is closer than you think

Whole Steve Wiens, 2017 Look around and you'll notice The world is covered with jagged edges People are broken all over the place Places are broken all around us But we were made for better than this We were made for shalom We were made to be whole and to make things whole This is an empowering journey for those who hunger for a better life for a better world for those who want to plant and grow the seeds of restoration in themselves and their communities and for those who want to see the jagged edges made smooth as we move from brokenness to wholeness
