Model of Eating Behavior Wolfgang Stroebe,2017-10-16 In the World Library of Psychologists series international experts present career long collections of what they judge to be their finest pieces extracts from books key articles salient research findings and their major practical theoretical contributions In this volume Overweight and obesity rates have increased dramatically in most industrialized countries even though more and more people are chronically dieting Dieters can manage to lose substantial amounts of weight while actively dieting but most regain it within a few years So why do most chronic dieters have such difficulty controlling their weight and why is there only a small minority of successful dieters To address these questions Stroebe developed the goal conflict model of eating behavior a social cognitive theory that attributes the difficulty of chronic dieters to a conflict between two incompatible goals eating enjoyment and weight control Although chronic dieters are motivated to pursue their weight control goal most fail in food rich environments Surrounded by palatable food cues that activate thoughts of eating enjoyment incompatible weight control thoughts are inhibited and weight control intentions are forgotten For successful dieters probably due to past success in exerting self control tasty high calorie food has become associated with weight control thoughts For them exposure to palatable food makes weight control thoughts more accessible enabling them to control their body weight in food rich environments This book contains the key articles of a research program by Stroebe and collaborators to assess the validity of this theory They succeeded in tracing the processes that lead from temptation to a breakdown of dieting intentions They also demonstrated that these theoretical principles can be used to develop effective weight loss interventions The book should be of value for all researchers students and clinicians involved in obesity research and treatment **Exploring Psychology** David G. Myers,2009-12-25 This edition contains the

following changes Hundreds of new research citations representing the most exciting and important new discoveries in our field Organizational changes based on changes in the field For example the heavily revised consciousness modules now follow the neuroscience modules and are titled Consciousness and the Two Track Mind to reflect the dual processing and cognitive neuroscience themes Fine tuned writing with countless small and large improvements in the way concepts are presented supported by the input and creative ideas of hundreds of contributing instructors students and friends A sharp new art program that teaches more effectively Continually improving coverage of cultural and gender diversity issues

Exploring Psychology, Eighth Edition, In Modules David G. Myers,2010-07-08 Exploring Psychology Eighth Edition

in Modules is the modular version of the 1 bestselling brief introduction to psychology David Myers s Exploring Psychology All the Myers hallmarks are here the captivating writing coverage based on the latest research helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility Historical Perspectives and the International Status of Comparative Psychology E. Tobach,2013-05-13 Published in 1987 Historical Perspectives and the International Status of Comparative Psychology is a valuable contribution to the field of Psychology PP Topics in Health Psychology S. Maes,1988-11-17 Health psychology is a fairly new but fast growing area of psychology This book attempts to supply an overview of current research in different topics such as psychological precursors of coronary heart disease and cancer smoking prevention medical events and procedures and many others Forensic Psychology Thomas Davis,2020-12-10 This fascinating and research led textbook gives students the facts and the tools they need to engage critically with the psychological dimension of the criminal justice system Accessibly written and packed with the latest psychological research Forensic Psychology Fact and Fiction is an engaging and wide ranging exploration of both foundational and contemporary issues The book prepares students to weigh up evidence and arguments and reach their own conclusions about the issues and questions that have led them to study forensic psychology Forensic Psychology Fact and Fiction gives students all they need to get to grips with debates about the link between mental fitness and criminal responsibility the purposes and effectiveness of punishment and the use of police force and others It places psychology at its heart combining research with legal perspectives to give the full picture Drawing on global research and examples students are given insights into what differs and what remains the same across jurisdictions and borders Real life case studies illustrate forensic concepts allowing students to see how psychology is applied to criminal behaviour and the response of society to it This comprehensive introduction is ideal for undergraduate students taking a course in forensic psychology Balancing clarity and rigor the book takes the student on a journey from the fundamental concepts through to the application of psychology to forensic techniques Handbook of Research Methods in Experimental Psychology Stephen F. Davis,2008-04-15 The Handbook of Research Methods in Experimental Psychology presents a comprehensive and contemporary treatment of research methodologies used in experimental psychology Places experimental psychology in historical context investigates the changing nature of research methodology experimental design and analytic procedures and features research in selected content areas Provides an excellent source of potential research ideas for advanced undergraduate and beginning graduate students Illustrates the range of research methodologies used in experimental psychology Contains contributions written by leading researchers Now available in full text online via xreferplus the award winning reference library on the web from xrefer For more information visit www.xreferplus.com
