Behind The Bottom Line Powering Business Life With Spiritual Wisdom:

Behind the Bottom Line Stephen R. Graves, Thomas G. Addington, 2011-01-28 In *Behind the Bottom Line* Stephen R. Graves and Thomas G. Addington cofounders of the popular journal *Life Work* offer businesspeople a much needed resource for understanding the spiritual factors that have a profound and often unheralded influence on our day to day business lives. This personal guide shows how biblical wisdom can become a vital and integral part of our work lives and a pathway to business excellence. In each chapter the authors examine one of the fifteen central themes of business life: power, change, wealth, ambition, ethics, balance, stewardship, partnering, calling, rest, strategy, innovation, entrepreneurship, marketplace, grace, and legacy, and explore how spirituality is intrinsic to our professional lives. Throughout the book, Graves and Addington offer powerful life-changing spiritual insights that can profoundly affect how we approach our life at work. **Life@Work** John Maxwell, 2005-08-16 People of faith need to be comfortable and intentional in two worlds: the world of the kingdom and the world of the commercial, blending and balancing their roles in each. Authors John C. Maxwell, Stephen Graves, and Thomas Addington identify the basic tools followers of Jesus should always have in their work toolbox: Calling, Serving, Character, and Skill. **The Power of One** Ron Luce, 2003-09-04 Being a teenager in today's world is a trying time for a young Christian's heart, mind, and faith. Ron Luce helps teens know that they are not alone by encouraging them to stand up and be counted among the faithful. Topics included are: Standing up to peer pressure, Standing up to your friends, Standing up for purity, Standing up at work. *The Power of One* has the bold answers to the hard questions teens have to face. It's about the most basic part of being a Christian: Standing Up for what you believe. Once you can Stand Up, you're ready to start walking wherever Jesus wants to lead you. **Life@Work Workbook** INJOY, 2005-05-25 People of faith need to be comfortable and intentional in two worlds: the world of the kingdom and the world of the commercial, blending and balancing their roles in each. Authors John C. Maxwell, Stephen Graves, and Thomas Addington identify the basic tools followers of Jesus should always have in their work toolbox: Calling, Serving, Character, and Skill. This book helps readers learn how to better integrate faith and work and why it is crucial that we do so. Includes Questions that get you to think about your life and work, Encouraging Words from some of the most successful individuals of today and yesterday, Take Action segments that encourage you to incorporate Maxwell's lessons into your daily routine. **Developing the Reflective Healthcare Team** Tony Ghaye, 2008-04-15 Team working and learning through reflection are both fundamental to quality healthcare. This book is the first to explore the use of the practices of reflection to develop health care teams that can deliver sustainable high quality personalised care. *Developing the Reflective Healthcare Team* is structured in three parts which are about new views of reflective practice, improving team working, and the use of the TA2LK facilitative reflective process to develop high performing teams. **The Challenges of Educating People to Lead in a Challenging World** Michael K. McCuddy, Herman van den Bosch, Wm. Benjamin Jr. Martz, Alexei V. Matveev, Kenneth O. Morse, 2007-06-10 This volume explores the challenges of educating

professionals to succeed in a complex uncertain and global business world The book contains intellectual concepts and practical advice from leaders in innovative education around the globe It will help educators and the educational enterprise become more innovative efficient and effective in addressing the teaching learning challenges associated with helping students prepare to face their own challenges *Finding Ever After* Dr. Robert S. Paul, Donna K. Wallace, 2008-09-01

Though couples today are armed with communication styles financial advice and knowledge of each other's needs marriages still turn stale Through illustrations and practical advice from his years as a therapist Robert Paul helps couples discover how to make their marriage fresh and full of fun fascination and freedom By addressing each gender while avoiding stereotypical extremes Paul shows that the adventurous romance men crave seamlessly complements the romantic adventure women need

Values Guide Decision-Making for Results Stanley Remple, 2025-05-22 Strong business leadership built on a value based foundation has the power to drive profit while improving the lives of business leaders employees and even those in the community But a business leadership model must also reflect cultural context which is why author Stanley Remple argues that a cookie cutter individualistic Western approach doesn't serve the needs of Chinese business leaders Enter Leadership Wisdom for Businesses in China a powerful four book series that examines value based business leadership specifically within the Chinese cultural and social environment and offers a framework to promote individual and collective potential while creating a successful and competitive business In Book Three Values Guide Decision Making for Results Remple explores the importance of ensuring all decision making is results based and dives into four business leadership responsibility areas that contribute to business success strategic direction complementary partnerships leadership development and governance accountability With a focus on technical tools creating and using a three year business plan is examined along with decision making processes to ensure all strategic action is aligned with performance objectives Case examples of successful Chinese businesses are also used to illustrate how these tools work within a cultural context Much more than a theoretical overview of business leadership this series offers a roadmap and solid tools for developing both self leadership and business leadership within a whole company Supported by a Chinese project team consisting of researchers educators writers and editors business leaders and other stakeholders this culturally relevant series has been written for both new and experienced business leaders and entrepreneurs leadership consultants and trainers and post secondary leadership programs in China However stakeholders in the West will also find great value in this comprehensive exploration of value based leadership The other volumes in the Leadership Wisdom for Business Success in China series are Book One Confronting the Business Leadership Crisis Book Two Developing a Value Based Business Book Four Cultural Factors Define Implementation Strategies Also available in Mandarin **Logics of Legitimacy** Margaret Stout, 2017-09-25 The discipline of public administration draws predominantly from political and organizational theory but also from other social and behavioral sciences philosophy and even theology This diversity results in conflicting prescriptions for the proper administrative role So

how are those new to public administration to know which ideas are legitimate Rather than accepting conventional arguments for administrative legitimacy through delegated constitutional authority or expertise Logics of Legitimacy Three Traditions of Public Administration Praxis does not assume that any one approach to professionalism is accepted by all scholars practitioners citizens or elected representatives Instead it offers a framework for public administration theory and practice that fully includes the citizen as a political actor alongside elected representatives and administrators This framework Considers both direct and representative forms of democracy Examines concepts from both political and organizational theory addressing many of the key questions in public administration Examines past and present approaches to administration Presents a conceptual lens for understanding public administration theory and explaining different administrative roles and practices The framework for public administration theory and practice is presented in three traditions of main prescriptions for practice Constitutional the bureaucrat Discretionary the entrepreneur and Collaborative the steward This book is appropriate for use in graduate level courses that explore the philosophical historical and intellectual foundations of public administration Upon qualified course adoption instructors will gain access to a course outline and corresponding lecture slides *Life@Work* John C. Maxwell, Stephen R. Graves, Thomas G. Addington, 2005-05-23 Authors John C Maxwell Stephen Graves and Thomas Addington identify the basic tools followers of Jesus should always have in their work toolbox Calling Serving Character and Skill This book helps readers learn how to better integrate faith and work and why it is crucial that we do so
