Behind The Oval Office Winning The Presidency In The Nineties:

Behind the Oval Office Dick Morris,1997 Inside account from key player in Clinton s election how U S politics work in the 90s

Behind the Curtain of Power Rune Olsø,2021-05-19 Behind the Curtain of Power How Karl Rove David Axelrod Roger Ailes James Carville Dick Morris and Lee Atwater Won the Toughest Race in the World and Changed America By Rune Ols We all know the names of the last US presidents but who were the masterminds that catapulted them into the highest echelon of power Go behind the scenes for an honest look at the way a handful of exceptional political operatives manipulated cajoled and maneuvered their way through the political battlefield of presidential elections Discover who they are deep down where they come from and the goals and fears driving them With nicknames like Bad Boy the Ragin Cajun the Architect and the Axe they left a trail of victims in their paths To some they are heroes to others villains We cannot fully understand history without understanding them Behind the Curtain of Power is the fascinating story of the political masterminds that orchestrated victories in the toughest race in the world and changed America

Prisoners of the White House Kenneth T. Walsh,2015-11-17 Prisoners of the White House looks at the isolation experienced by presidents of the United States in the White House a habitat almost guaranteed to keep America s commander in chief far removed from everyday life The authors look at how this is emerging as one of the most serious dilemmas facing the American presidency As presidents have become more isolated the role of the presidential pollster has grown Ken Walsh has been given exclusive access to the polls and confidential memos received by presidents over the years and has interviewed presidential pollsters directly to gain their unique perspective Prisoners of the White House gets inside the bubble and punctures the mythology surrounding the presidency

The Evolution of Presidential Polling Robert M. Eisinger,2003-01-20 The Evolution of Presidential Polling is a book about presidential power and autonomy Since FDR virtually all presidents have employed private polls in some capacity This book attempts to explain how presidential polling evolved from a rarely conducted secretive enterprise to a commonplace event that is now considered an integral part of the presidency I contend that because presidents do not trust institutions such as Congress the media and political parties all of which also gauge public opinion they opt to gain autonomy from these institutions by conducting private polls to be read and interpreted solely for themselves

Centrist Rhetoric Antonio de Velasco,2010-01-01 Focused on the centrist rhetoric of President Bill Clinton *Centrist Rhetoric* explores questions about the basic nature and function of pleas to transcend partisan division Using close textual analysis in the context of a broader theoretical argument about rhetoric democracy and transcendence this book promises a fresh approach to dealing with the contradictions inherent to using the center as a political metaphor

Media Cultures of the Russian 1990s Maya Vinokour,2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev s policy of glasnost openness and ending with the election of President Vladimir Putin *Media Cultures of the Russian 1990s* shows how post Soviet civil society emerged simultaneously with the explosion of new media

especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin s crackdown on independent media after 2000 as well as Russia s slide into aggressive authoritarianism are embedded in the era s media artifacts Written by an interdisciplinary group of experts this edited collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade s media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov

The White House Staff Bradley H. Patterson, 2004-05-13 Shrouded in anonymity protected by executive privilege but with no legal or constitutional authority of their own the 5 900 people in 125 offices collectively known as the White House staff assist the chief executive by shaping focusing and amplifying presidential policy Why is the staff so large How is it organized and what do those 125 offices actually do In this sequel to his critically appraised 1988 book *Ring of Power* Bradley H Patterson Jr a veteran of three presidential administrations takes us inside the closely guarded turf of the White House In a straightforward narrative free of partisan or personal agendas Patterson provides an encyclopedic description of the contemporary White House staff and its operations He illustrates the gradual shift in power from the cabinet departments to the staff and for the first time in presidential literature presents an accounting for the total budget of the modern White House White House staff members control everything from the monumental to the mundane They prepare the president for summit conferences but also specify who sits on Air Force One They craft the language for the president to use on public occasions from a State of the Union Address to such Rose Garden rubbish as the pre Thanksgiving pardon for the First Turkey The author provides an entertaining yet in depth overview of these responsibilities Patterson also illuminates the astounding degree to which presidents personally conduct American diplomacy and personally supervise U S military actions The text is punctuated with comments by senior White House aides and by old Washington hands whose careers go back more than half a century The book provides not only a comprehensive key to the offices and activities that make the White House work but also the feeling of belonging to that exclusive membership inside the West Wing

Campaigning for President in America, 1788-2016 Scott John Hammond, Robert North Roberts, Valerie A. Sulfaro, 2016-04-25 What does it take to get elected president of the United States leader of the free world This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century The race for the presidency encapsulates the broader changes in American democratic culture This book

provides insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century Readers will be able to see and understand how presidential campaigns have evolved over time and how and why the current state of campaigning for president came into being

The Presidential Difference Fred I. Greenstein, 2012-11-28 Fred I Greenstein has long been one of our keenest observers of the modern presidency In *The Presidential Difference* he provides a fascinating and instructive account of the presidential qualities that have served well and poorly in the Oval Office beginning with Franklin D Roosevelt's first hundred days He surveys each president's political skill vision cognitive style organizational capacity ability to communicate and emotional intelligence and argues that the last is the most important in predicting presidential success Throughout Greenstein offers a series of bottom line judgments on each of his thirteen subjects as well as an overarching theory of why presidents succeed or fail In this new edition Greenstein assesses President George W Bush in the wake of his two terms The book also includes a new chapter on the leadership style of President Obama and how we can expect it to affect his presidency and legacy

The British Presidency Michael Foley, 2000 The Premiership of Tony Blair has not only reaffirmed previous trends towards leader centered parties and governments it has provided a decisive change in the development of a British presidency The strategies and techniques designed to secure and expand Blair's public outreach together with the priority attached to the prime minister's personal pledges and individual vision have propelled the office into new dimensions of independence Michael Foley argues that the ascendancy of Blair is not an aberration but rather a culmination of trends that have established vigorous leadership as a key criterion of political evaluation and governing competence This edition is completely up to date including the first convincing analysis of Tony Blair's leadership style

Adopting the Song of Appearance: An Mental Symphony within **Behind The Oval Office Winning The Presidency In The Nineties**

In a world consumed by monitors and the ceaseless chatter of instantaneous transmission, the melodic beauty and psychological symphony developed by the written word usually fade in to the background, eclipsed by the relentless noise and distractions that permeate our lives. Behind The Oval Office Winning The Presidency In The Nineties Introduction

In today's digital age, the availability of Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Behind The Oval Office Winning The Presidency In The Nineties versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Behind The Oval Office Winning The Presidency In The Nineties books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Behind The Oval Office Winning The Presidency In The Nineties books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Behind The Oval Office Winning The Presidency In The Nineties books and manuals for download and embark on your journey of knowledge?
