Behind The Pine Curtain:

Behind the Pine Curtain Gerri Hill, 2006 **Behind the Pine Curtain** Brandon Rhyder, 2003 *East Texas* Michael Dougan, 1988 *East Texas Troubles* Jody Edward Ginn, 2019-07-11

When the gun smoke cleared four men were found dead at the hardware store in a rural East Texas town But this December 1934 shootout was no anomaly San Augustine County had seen at least three others in the previous three years and these murders in broad daylight were only the latest development in the decade long rule of the criminal McClanahan Burleson gang Armed with handguns Jim Crow regulations and corrupt special Ranger commissions from infamous governors Ma and Pa Ferguson the gang racketeered and bootlegged its way into power in San Augustine County where it took up robbing and extorting local black sharecroppers as its main activity After the hardware store shootings white community leaders formerly silenced by fear of the gang s retribution finally sought state intervention In 1935 fresh faced newly elected governor James V Allred made good on his promise to reform state law enforcement agencies by sending a team of qualified Texas Rangers to San Augustine County to investigate reports of organized crime In *East Texas Troubles* historian Jody Edward Ginn tells of their year and a half long cleanup of the county the inaugural effort in Governor Allred s transformation of the Texas Rangers into a professional law enforcement agency Besides foreshadowing the wholesale reform of state law enforcement the Allred Rangers investigative work in San Augustine marked a rare close collaboration between white law enforcement officers and black residents Drawing on firsthand accounts and the sworn testimony of black and white residents in the resulting trials Ginn examines the consequences of such cooperation in a region historically entrenched in racial segregation In this story of a rural Texas community s resurrection Ginn reveals a multifaceted history of the reform of the Texas Rangers and of an unexpected alliance between the legendary frontier lawmen and black residents of the Jim Crow South

The Dallas Women's Guide to Gold-Digging with Pride Jennifer Ross, 2008-12-24

Here in the land of conspicuous consumption marriage isn t considered a lifelong commitment It s the ultimate accessory from *The Dallas Women s Guide to Gold Digging with Pride* Jennifer Barton s life has veered 180 degrees A transplanted New Yorker now in a Lone Star state of mind she s ditched her urban hipster look for the waxed Botoxed and blond glow of the Dallas women she now walks among and mingles with Jenny s mission to be in tall cotton which in Texan husband hunting terms means sporting a major rock on your finger and seeing the prenup torn up before you walk down the aisle But learning the local lingo is only the tip of the cactus for Jenny who is used to picking men based on attraction and long term compatibility not net assets No matter that in Dallas a husband is like a Herm s bag or a Chanel coat a good investment that will mature over time If he no longer fits you can trade up to a more luxurious model To Aimee Jenny s pretty as a beauty queen roommate and an expert gold digger marrying for material worth is gospel she s already successfully managed her first divorce and is on the lookout for husband number two Jenny has laughed off Aimee s ideas on flirting and courting Never directly engage a man you re interested in but after catching her

boyfriend cheating and listening to her mother's constant laments over her lack of grandchildren Jenny reconsiders Aimee's businesslike approach to marriage plan strategize conquer Under Aimee's guidance Jenny finds herself grocery shopping in stilettos attending skeet shoots and rattlesnake hunts and traversing the ultimate husband hunting ground a Baptist wedding But in between secretly decoding her targets e-mail passwords and breaking into potential mates houses to figure out what their interests are Jenny wonders if love ever enters into the deal Welcome to Dallas where the higher the hair the closer to God Grab the steer by the horns and sharpen your nails J C Conklin's hilariously funny debut novel will have you going Texas wild

Shout at the Day 2 Steven H. Smith, 2022-03-22 The Texans ride again Will they make it to the playoffs or will they fold their tents High School football is king in the East Texas community of Lone Star East Texans live and die for football Winning teams put schools on the map and help bring about tremendous prosperity in rural East Texas The average pay for a teacher during the seventies is just over 1000.00 per month Winning makes people feel good about themselves and the community When they feel good about the community bond issues are passed that bring about better schools This creates jobs for more people as businesses locate to the area helping the economy bloom like the flowers in spring

Faith Ed Linda K. Wertheimer, 2015-08-18 An intimate cross country look at the new debate over religion in the public schools A suburban Boston school unwittingly started a firestorm of controversy over a sixth grade field trip The class was visiting a mosque to learn about world religions when a handful of boys unnoticed by their teachers joined the line of worshippers and acted out the motions of the Muslim call to prayer A video of the prayer went viral with the title Wellesley Massachusetts Public School Students Learn to Pray to Allah Charges flew that the school exposed the children to Muslims who intended to convert American schoolchildren Wellesley school officials defended the course but also acknowledged the delicate dance teachers must perform when dealing with religion in the classroom Courts long ago banned public school teachers from preaching of any kind But the question remains How much should schools teach about the world's religions Answering that question in recent decades has pitted schools against their communities Veteran education journalist Linda K Wertheimer spent months with that class and traveled to other communities around the nation listening to voices on all sides of the controversy including those of clergy teachers children and parents who are Muslim Jewish Christian Sikh or atheist In Lumberton Texas nearly a hundred people filled a school board meeting to protest a teacher's dress up exercise that allowed freshman girls to try on a burka as part of a lesson on Islam In Wichita Kansas a Messianic Jewish family's opposition to a bulletin board display about Islam in an elementary school led to such upheaval that the school had to hire extra security Across the country parents have requested that their children be excused from lessons on Hinduism and Judaism out of fear they will shy away from their own faiths But in Modesto a city in the heart of California's Bible Belt teachers have avoided problems since 2000 when the school system began requiring all high school freshmen to take a world religions course Students receive comprehensive lessons on the three major world religions as well as on Sikhism Hinduism Buddhism and often Shintoism

Taoism and Confucianism One Pentecostal Christian girl terrified by idols including a six inch gold Buddha learned to be comfortable with other students beliefs Wertheimer s fascinating investigation which includes a return to her rural Ohio school which once ran weekly Christian Bible classes reveals a public education system struggling to find the right path forward and offers a promising roadmap for raising a new generation of religiously literate Americans I Believe: A Fulfillment of Promises Lance Edwin Compton,2014-06-26 A self described hillbilly from western Oklahoma Lance Compton is one of God s unlikely servants whose life illustrates that Jesus Christ did not cease to transform the wayward into His ambassadors on the Damascus Road After a devastating diagnosis with cancer in the seventh grade Lance was miraculously and spontaneously healed by God s gracious hand This event gave him an unquenchable desire for a deeper knowledge and fuller understanding of his Creator and he immediately embarked upon an unorthodox journey toward that end Lance s peregrination of faith has brought him into fellowship and friendship with some of the country s most influential people allowed him to see the halls of power reserved a seat for him at the table of one of the world s largest Christian ministries anointed him a zealous caretaker of society s discards asked him to prevent a heinous murder shown him the extent to which God s grace abounds bestowed upon him the grandest of purposes and led him to the greatest treasure of all intimate knowledge of the Truth You will want to walk alongside Lance as he recounts his journey upon the narrow way and learns from station to station how secure is that foundation upon which the structure of a full life stands how careful is the Potter whose hands labor diligently to bring forth perfection how priceless is the mosaic that reflects the light of its Maker and how beautiful are the feet that abide in the dust for good news sake Come and see **Roundabout** Gerri Hill,2016-01-12 Megan Phenix bar and grill owner in gay friendly Eureka Springs is labeled as playing hard to get and finds herself the object of much unwanted attention If only she were seeing someone maybe the women would leave her in peace Leah Rollins thinks fifty is too young to retire so instead she opens a store in the touristy shopping district of Eureka Springs next to the popular Phenix Grill She soon learns that Megan Phenix is a bit on the grumpy side as they spar over parking spaces and anything else they can find to argue about When Leah catches the attention of the multitude of single lesbians in town she searches for a way out Could the grumpy grill owner next door be the answer to her problems Megan and Leah strike an unlikely alliance and conspire to rid themselves of the unwanted attention by fake dating Can they pull it off As they pretend to date and convince everyone in town that they really are a couple the pretense becomes harder to hold on to But there s just one problem they don t really like each other Or do they Chasing a Brighter Blue Gerri Hill,2015-12-01 A Christmas wedding in Colorado A two week celebration with family and friends Who does that Photojournalist Reagan Bryant has just returned from six month stint in Afghanistan Haunted by the tragedy that ended her last assignment she s searching for some peace something to end the guilt and chase the trauma away Two weeks at the resort hotel owned by her future sister in law s father seems like the perfect escape Shelby Sutton doesn t trust women They always seem more interested in her father s

money than in her But at her sister s request she vows to make friends with Reagan a woman whose sad and haunted eyes are nearly impossible to ignore
