Behold A Pale Horse Book:

Behold! a Pale Horse Milton Cooper, 2018-05-02 William Cooper turned out to be right and that's all we have to say about his self-published Book. Let's keep copies of this treatise for our grandchildren and their children so the spectre of corruption and perfidy that we the late 20th century generation experienced will never occur again in seven generations. [Behold a Pale Horse](#) Franklin Allen Leib, 2000 After a Bible-spouting Texan is elected president of the United States it emerges that he is mentally unstable. So a group of powerful men call on the services of Cobra, a white killer for hire living in Africa. He has the required experience having assassinated JFK. [Behold a Pale Horse](#) William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government, and UFOs. Bill is a lucid, rational, and powerful speaker whose intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988, Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early 70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall, and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. Billy Goodman, KVEG Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. Anthony Hilder, Radio Free America. William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. Mills Crenshaw, KTALK Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate the future is in your hands. William Cooper, October 24, 1989. **The Illuminati** Mark Dice, 2009 Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's *Angels & Demons* and Hollywood movies like *Lara Croft Tomb Raider*. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction.
