Beijing Bastard Coming Of Age In A Changing China:

Beijing Bastard Val Wang, 2014 Raised in the suburbs by Chinese migr parents with high hopes for her future Val Wang dutifully took piano lessons performed in a Chinese dance troupe and became a black belt in martial arts That is until she shaved her head and became a leftist a feminist and a vegetarian the stuff of many teenage rebellions But her true mutiny came when she moved to China the land her parents fled before the Communist takeover in 1949 Landing in Beijing Val finds a city whirling with chaos and promise and teetering between tradition and fast paced modernization Living first with her strict Chinese relative in a hutong courtyard home she forms an immediate and visceral attachment to the old city But Beijing is on the verge of an epic transformation Just like Val the city is rebelling against its roots struggling to find a new modern identity Bicycles are giving way to taxicabs and skyscrapers are replacing courtyard house as Beijing prepares to make its debut on the world stage with the 2008 Olympics As the old city disappears beneath the wrecking ball a new one is beginning to emerge Caught in the fascinating and utterly confusing moment of transition Val moves to the gritty outskirts of the city where to her surprise she discovers a thriving avant garde subculture making art out of the chaos Plunging into the city s dizzying culture and nightlife Val meets a motley crew of young filmmakers expats and entrepreneurs who both fear and thrive on the uncertainty Surrounded by subversive artists who are telling their versions of China s upheaval Val soon realizes that documentary film is where her artistic passion lies And when she meets a Peking Opera family who are witnessing in real time the death of their traditional art it is her turn to focus her camera lens on the history unfolding before her Brilliantly observed and winningly told *Beijing Bastard* is a compelling coming of age story of a young woman finding her place in the world and also of China as its ancient past gives way to a dazzling but uncertain future Advance Praise for *Beijing Bastard* Val Wang has given us a memoir perfectly suited to the Beijing that she brings to life so well heedless pungent and proudly insubordinate She is both American and Chinese fascinated by her ancestors history and desperate to escape it Like contemporary China itself Wang is torn between the aspirations for success idiosyncrasy and belonging A vivid and evocative read Evan Osnos author of *Age of Ambition* Val Wang spins a rollicking tale of misadventure in Beijing wonderfully engaging filled with astute observations of modern China and edged by a sharp wit that left me laughing out loud on the subway even as I concealed a tear at the last page Ann Mah author of *Kitchen Chinese* and *Mastering the Art of French Eating* A spectacular debut by a writer with the most enviable gift a storyteller can have timing Like Arthur Phillips s *Prague* and other generation defining works that capture a fleeting golden moment in both the lives of a group of expatriates and a larger than life place Val Wang s memoir of Beijing is shot through with insight beauty humor and sadness Ben Ryder Howe author of *My Korean Deli* Wang delivers a sensitive narrative that take readers effortlessly through the seemingly disparate worlds of a family divided across distance and generations Wang s Beijing is gritty and bleak but also hopeful and exciting and her affection for the city is palpable A deftly written and entertaining memoir that offers a fresh perspective on

contemporary China and the people caught in its rapid transformation Kirku **Beijing Bastard** Val Wang, 2015-11-03 A humorous and moving coming of age story that brings a unique not quite outsider's perspective to China's shift from ancient empire to modern superpower Raised in a strict Chinese American household in the suburbs Val Wang dutifully got good grades took piano lessons and performed in a Chinese dance troupe until she shaved her head and became a leftist the stuff of many teenage rebellions But Val's true mutiny was when she moved to China the land her parents had fled before the Communist takeover in 1949 Val arrives in Beijing in 1998 expecting to find freedom but instead lives in the old city with her traditional relatives who wake her at dawn with the sound of a state run television program playing next to her cot make a running joke of how much she eats and monitor her every move But outside she soon discovers a city rebelling against its roots just as she is struggling too to find a new modern identity Rickshaws make way for taxicabs skyscrapers replace hutong courtyard houses and Beijing prepares to make its debut on the world stage with the 2008 Olympics And in the gritty outskirts of the city where she moves a thriving avant garde subculture is making art out of the chaos Val plunges into the city's dizzying culture and nightlife and begins shooting a documentary about a Peking Opera family who is witnessing the death of their traditional art Brilliantly observed and winningly told **Beijing Bastard** is a compelling story of a young woman finding her place in the world and of China as its ancient past gives way to a dazzling but uncertain future **Metro Movies**

Harry H. Kuoshu, 2010-12-23 **Metro Movies** Cinematic Urbanism in Post Mao China takes readers on a comprehensive tour of the urbanization of Chinese cinema Focusing primarily on movies from the end of the twentieth century it is the first single authored work to explore the relationship between the changes in Chinese society caused in part by the advent of postsocialism the growth of cities and globalization and the transformation of Chinese cinema Author Harry H Kuoshu examines such themes as displacement cinematic representation youth subculture the private emotional lives of emerging urbanites raw urban realism and the allegorical contrast of the city and the countryside to illustrate the artistic richness and cultural diversity of this cinematic genre Kuoshu discusses the work of director Huang Jianxin whose films follow and critique China's changing urban political culture He dedicates a chapter to filmmakers who followed Huang and attempted to redefine the concept of art films to regain the local audience These directors address Chinese moviegoers' disappointment with the international adoption of Chinese art films their lack of interest in conventional Chinese films and their fascination with emerging audio video media A considerable amount of attention is given to films of the 1990s which focus on the social changes surfacing in China from the trend of hooliganism and the Beijing rock scene to the arrival of an urban pop culture lifestyle driven by expansionist commerce and materialism Kuoshu also explores recent films that confront the seedier aspects of city life as well as films that demonstrate how urbanization has touched every fiber of Chinese living **Metro Movies** illustrates how cinematic urbanism is no longer a genre indicator but is instead an era indicator revealing the dominance of metropolitan living on modern Chinese culture It gives new insight into contemporary Chinese politics and culture and

provides readers with a better understanding of China's urban cinema. This book will be an excellent addition to college film courses and will fascinate any reader with an interest in film studies or Chinese culture. **China in the Mix** Ying

Xiao, 2017-08-09. Scarce attention has been paid to the dimension of sound and its essential role in constructing image, culture and identity in Chinese film and media. *China in the Mix* fills a critical void with the first book on the sound languages, scenery, media and culture in post-Socialist China. In this study Ying Xiao explores fascinating topics including appropriations of popular folklore in the Chinese New Wave of the 1980s, Chinese rock n roll and youth cinema in fin de siècle China, the political economic impact of free market imperatives and Hollywood pictures on Chinese film industry and filmmaking in the late twentieth century, the reception and adaptation of hip hop and the emerging role of Internet popular culture and social media in the early twenty-first century. Xiao examines the articulations and representations of mass culture and everyday life, concentrating on their aural/oral manifestations in contemporary Chinese cinema and in a wide spectrum of media and cultural productions. *China in the Mix* offers the first comprehensive investigation of Chinese film expressions and culture from a unique cohesive acoustic angle and through the prism of global media cultural exchange. It shows how the complex evolving uses of sound, popular music, voice over, silence, noise and audio mixing in film and media reflect and engage the important cultural and socio-historical shifts in contemporary China and in the increasingly networked world. Xiao offers an innovative new conception of Chinese film and media and their audiovisual registers in the historiographical frame of China amid the global landscape. **Historical Dictionary of Chinese Cinema** Dan Luo, Tan Ye, Yun Zhu, 2024-09-23. Motion

pictures were introduced to China in 1896 and today China is a major player in the global film industry. However, the story of how Chinese cinema became what it is today is exceptionally turbulent, encompassing incursions by foreign powers, warfare among contending rulers, the collapse of the Chinese empire and the massive setback of the Cultural Revolution. This book covers the cinematic history of mainland China spanning across over one hundred and twenty years since its inception. *Historical Dictionary of Chinese Cinema* Second Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 200 cross-referenced entries on the major filmmakers, actors and historical figures, representative cinematic productions, genre evolution, significant events and institutions and market changes. This book is an excellent resource for students, researchers and anyone wanting to know more about Chinese Cinema. **Multiple**

Modernities Jenny Kwok Wah Lau, 2003. *Multiple Modernities* explores the cultural terrain of East Asia. Arguing that becoming modern happens differently in different places, the contributors examine popular culture, most notably cinema and television, to see how modernization as both a response to the West and as a process that is unique in its own right in the region operates on a mass level. Included in this collection are significant explorations of popular culture in East Asia, including Chinese New Cinema and rock music, Korean cinema, Taiwanese television, as well as discussions of alternative arts in general. While each essay focuses on specific nations or cinemas, the collected effect of reading them is to offer a

comprehensive in depth picture of how popular culture in East Asia operates to both generate and reflect the immense change this significant region of the world is undergoing Contributors include Jeroen de Kloet Mitsuhiro Yoshimoto Yomota Inuhiko Frances Gateward Hector Rodriguez Dai Jaihua David Desser August Palmer Lu Szu Ping and the editor **Political Censorship** Robert Justin Goldstein,2001 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **The Oxford Handbook of New Audiovisual Aesthetics** John Richardson,Claudia Gorbman,Carol Vernallis,2013-08-20 This handbook provides powerful ways to understand changes in the current media landscape Media forms and genres are proliferating as never before from movies computer games and iPods to video games and wireless phones This essay collection by recognized scholars practitioners and non academic writers opens discussion in exciting new directions **The Beijing Games** Pat DePaolo,2007-11 THE BEIJING GAMES is a break neck international thriller depicting a China led conspiracy involving the most unlikely cabal of Washington insiders a giant U S retailer a private European banker and a Chinese conglomerate controlled by the PLA Their black goal is to eliminate all import restrictions on Chinese made goods and effectively destroy large segments of the U S manufacturing industry in order to dictate spending decisions of millions of Americans for years to come Set in 2008 2009 the only person standing in their way is 48 year old failed businessman Justin Gatt an unlikely hero whose life is thrust into turmoil when he is recruited to travel undercover in China to attempt to gather information critical to the U S Aided by three remarkable women who risk their lives to help him Gatt escapes a Shanghai death squad and a Chinese SAM missile Finally he s caught in the cross hairs of an assassin s sniper rifle as he attempts to warn US officials of a conspiracy to unleash biological and financial attacks designed to stagger the US economy When chaos follows the Olympics Gatt must find a way to warn the President elect of an even more deadly threat SEE READER COMMENTS BELOW *Burden Or Legacy* Jiehong Jiang,2007-06-17 Focusing on the impact of the Cultural Revolution on the development of contemporary art in China this anthology of essays and images present fresh and critical perspectives on how one of the most disturbing periods of modern Chinese history has affected the creativity of contemporary Chinese artists
