Being Church Doing Life Creating Gospel Communities Where Life Happens:

Being Church, Doing Life Michael Moynagh, 2014 Christians worldwide are learning new ways to connect their faith to everyday life Gospel communities are popping up everywhere in cafes gyms tattoo parlours laundromats This movement called Fresh Expressions is attracting thousands and growing rapidly With over 120 real life examples Michael Moynagh describes easy ways for ordinary Christians to embrace this highly effective approach to local mission Anyone can do it

From 'Mission-Shaped' to 'Jesus-Shaped' Church Susan Beverley Cross, 2025-03-10 Hospitality is often invoked without question in Church of England discourse but the importance of the practice to contemporary mission has not been subject to detailed analysis This book provides otherwise elusive in depth theological examination of the scope of Christian understandings of hospitality From feasting in the Hebrew Scriptures and foot washing in the New Testament to online Communion during the COVID 19 pandemic hospitality is more than welcome or the evangelistic hospitality of the Alpha Course or Messy Church So this book encompasses racism ageing poverty tragedy storytelling minds bodies and belonging as well as the implications of allying food to Christian formation It shows that Christian hospitality has relevance not only to mission but also to ecclesiology eschatology disability theology and social and ecological justice *An Ecumenical Field Guide For Fresh Expressions* Michael Adam Beck, 2024-08-20 Learn the essentials of fresh expressions for your church An Ecumenical Field Guide for Fresh Expressions is a practical manual for understanding and implementing Fresh Expressions for a church in any denominational setting The Fresh Expressions movement is a new way of thinking about the local church and a new way of doing church as a congregation It refers to new fresh iterations or types expressions of ministry usually outside the confines of the church building These iterations or types of ministries are formed intentionally but organically out in the community where people are They are based on shared activities or interests where people are gathering already and where the people are open to or interested in learning about Jesus Christian people share their own stories of how Jesus is part of their lives Often these gatherings become regular and increasingly begin to adopt the practices of a church community like worship service study and giving Thus they become fresh expressions of the church from which they sprang

The Craft of Church Planting Christian Selvaratnam, 2022-06-30 Drawing on insights from the training practices of the English medieval craft guilds a global survey of 500 church planters interviews with artists and church planting trainers and the authors 30 years of ministry experience The Craft of Church Planting offers a distinctive and imaginative perspective on the methods used to train future practitioners in the art of church planting Demonstrating how training for the next generation of church planting leaders might be informed by the historic master apprentice model guild learning communities creativity and an artisan approach to ministry this book is a vital resource to inform the methods of training for the next generation of church planters **Out of Nothing** Andrew Dunlop, 2018-06-30 The two key questions often levelled at fresh expressions are What is Church and How on earth can a fresh expression be evaluated In *Out of Nothing* Andrew Dunlop

offers an account of his journey in starting a fresh expression and along the way proposes an alternative theological foundation for evaluation the Cross Shaped approach Dunlop proposes a theological foundation which goes to the heart of God's action in the world Both accessible and critically engaged the book will provide an important resource for both pioneers and for those studying pioneer ministry

The DNA of Pioneer Ministry Andy Milne, 2016-11-03 This book is a resource to help people involved in fresh expressions pioneering youth work and mainstream church ministry It explores God's calling teamwork how to plan worship and much more

Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God's intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church's greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes

A Field Guide to Methodist Fresh Expressions Michael Adam Beck, 2020-03-23 According to Fresh Expressions U S a Fresh Expression is a form of church for our changing culture established primarily for the benefit of those who are not yet part of any church Fresh Expressions are introducing people to Jesus expanding the kingdom and revitalizing churches Congregations need a practical and theological resource that can help them cultivate Fresh Expressions As consultants who work nationwide and as innovative pastors authors Michael Beck and Jorge Acevedo awaken congregational leaders and ministry teams to a distinctive Wesleyan approach for the Fresh Expressions movement In Wesleyan Fresh Expressions they show congregations how to cultivate and customize fresh expressions that fit their local context They motivate ministry teams to take risks experiment and when necessary fail well On April 2 1739 John Wesley went to a field just outside what was then the city limits of Bristol England There he tried a missional innovation called field preaching Thousands of people showed up many of whom who had no connection with a church Today most Methodists and other Wesleyans don't know their own story Lost in the milieu of divisive issues that threaten to tear the church apart Wesleyans have forgotten their DNA as a renewal movement born not from doctrinal disputes but from a missional imperative In this sense the Fresh Expressions movement is the most Methodist thing in the denomination today This iteration of the Spirit is taking it to the fields again Wesleyan Fresh Expressions will help guide the way

The Minister as Entrepreneur Michael Volland, 2015-04-16 A compelling case for an entrepreneurial approach to ministry and mission exploring its biblical basis and potential benefits Based on extensive interviews with entrepreneurial ministers from a range of denominations Draws on examples of entrepreneurs from the Bible and Christian history to help readers imagine how such an approach could work in

their own context Addresses the problems some have with the word entrepreneur and sets out a positive and informed alternative understanding Full of informative and inspiring case studies of entrepreneurial ministry in action Building on his own experiences as a priest and an entrepreneur Volland argues that the concept of entrepreneurship offers churches a helpful lens through which to view Christian ministry and mission and an understanding and approach to ministry that is well fitted for the mission task in a rapidly changing world He shows how an entrepreneurial approach is consistent with understandings of leadership in the major denominations and in the new churches He also argues that such an approach is consistent both with the nature of God and with human collaboration with God's activity in the world His conclusions are based on extensive interviews with entrepreneurial ministers Justin Welby and Steven Croft were among the interviewees and his findings result in practical suggestions for those seeking to be more entrepreneurial in their ministries as well as in recommendations for strategic change that will encourage sustainable church growth and vitality in the years ahead

Faith in the Marketplace Samuel Lee, 2021-04-12 Contemporary missions often include evangelistic and socio-economic dimensions For effective missions some way of assessing what is being achieved is needed beyond just the common metrics touching on the spiritual and or economic which neglects social transformation that ideally should also be occurring This book seeks to identify key factors for holistic evaluation based on salient characteristics that emerged as three Entrepreneurial Church Planting sites were studied in San Francisco Redeemer Community Church Selma Alabama Blue Jean Church and Lynch Kentucky Meridzo Ministries What emerges from these case studies is the importance of relationality general emphasis on growth and development and a well established focus on holistic transformation The mechanisms for the operation of holistic transformation are spelled out to reflect the operation of the three actors of the Trinity in missions The practical component of the book is the conceptual framework that reveals the operation of holistic transformation and ways to measure the dynamic relationships that occur
