Being Australian Narratives Of National Identity:

Being Australian Catriona Elder, 2020-07-24 After a century of speculation by writers filmmakers travelers and scholars being Australian has become a recognisable shorthand for a group of national characteristics Now in an era of international terrorism being seen as un Australian has become a potent rhetorical weapon for some and a badge of honour for others Catriona Elder explores the origins meaning and effects of the many stories we tell about ourselves and how they have changed over time She outlines some of the traditional stories and their role in Australian nationalism and she shows how concepts of egalitarianism peaceful settlement and sporting prowess have been used to create a national identity Elder also investigates the cultural and social perspectives that have been used to critique dominant accounts of Australian identity including ideas of class gender sexuality ethnicity and race She shows how these critiques have been in turn queried in recent years *Being Australian* is an ideal introduction to studying Australia for anyone interested in understanding Australian society culture and history A clever work incisive and original At a time when Australian identities have never been more debated Elder finds an open way through the closed doors which often restrict cultural representations of Australian ness Professor Adam Shoemaker Dean of Arts ANU This is a timely and significant new analysis essential reading on issues of identity and our own anxieties about national belonging and what it means to be Australian in a globalising world Kate Darian Smith Professor of Australian Studies and History University of Melbourne

Nations, National Narratives and Communities in the Asia-Pacific Norman Vasu, Yolanda Chin, Kam-ye Law, 2013-09-05 Many states in the Asia Pacific region are not built around a single homogenous people but rather include many large varied different national groups This book explores how states in the region attempt to develop commonality and a nation and the difficulties that arise It discusses the consequences which ensue when competing narratives clash and examines the nature of resistance to dominant narratives which arise It considers the problems in a wide range of countries in the region including Indonesia Malaysia Singapore Hong Kong Korea Australia and New Zealand

Indigenous Research into Mainstream Australian Culture Lorraine Muller, 2023-12-14 Informed by original ground breaking research this book shifts the lens of study identifying how Indigenous Australian values and principles have influenced and contributed to an evolving non Indigenous mainstream Australian culture Based on the Indigenous principle of respect Muller presents a solid research framework to break down the barriers of social differences in a culturally safe space The text offers an insight into the cultural aspects of modern Australian society that contributed to its globally acclaimed handling of the current coronavirus pandemic During the preparation for dealing with the pandemic Muller s research was validated as the world witnessed the Australian culture undergoing major change shifting away from the original colonialist culture based on individuality and social stratification to a community collective based culture It will be a valuable read for scholars in the area of community and allied health humanities social policy social sciences and political studies People seeking alternative lifestyles a decolonised future and

social change will also find this book useful

Witnessing Australian Stories Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia's history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia's indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction's critically acclaimed Memory and Narrative series
