Believe And Destroy Intellectuals In The Ss War Machine:

Believe and Destroy Christian Ingrao, 2013-07-11 There were eighty of them They were young clever and cultivated they were barely in their thirties when Adolf Hitler came to power Their university studies in law economics linguistics philosophy and history marked them out for brilliant careers They chose to join the repressive bodies of the Third Reich especially the Security Service SD and the Nazi Party's elite protection unit the SS They theorized and planned the extermination of twenty million individuals of allegedly inferior races Most of them became members of the paramilitary death squads known as Einsatzgruppen and participated in the slaughter of over a million people Based on extensive archival research Christian Ingrao tells the gripping story of these children of the Great War focusing on the networks of fellow activists academics and friends in which they moved studying the way in which they envisaged war and the world of enemies which in their view threatened them The mechanisms of their political commitment are revealed and their roles in Nazism and mass murder Thanks to this pioneering study we can now understand how these men came to believe what they did and how these beliefs became so destructive The history of Nazism shows Ingrao is also a history of beliefs in which a powerful military machine was interwoven with personal experiences fervour anguish utopia and cruelty *The Betrayal* Kim Christian

Priemel, 2018-05-17 At the end of World War II the Allies faced a threefold challenge how to punish perpetrators of appalling crimes for which the categories of genocide and crimes against humanity had to be coined how to explain that these had been committed by Germany of all nations and how to reform Germans The Allied answer to this conundrum was the application of historical reasoning to legal procedure In the thirteen Nuremberg trials held between 1945 and 1949 and in corresponding cases elsewhere a concerted effort was made to punish key perpetrators while at the same time providing a complex analysis of the Nazi state and German history Building on a long debate about Germany's divergence from a presumed Western path of development Allied prosecutors sketched a historical trajectory which had led Germany to betray the Western model Historical reasoning both accounted for the moral breakdown of a civilised nation and rendered plausible arguments that this had indeed been a collective failure rather than one of a small criminal clique The prosecutors therefore carefully laid out how institutions such as private enterprise academic science the military or bureaucracy which looked ostensibly similar to their opposite numbers in the Allied nations had been corrupted in Germany even before Hitler's rise to power While the argument depending on individual protagonists subject matters and contexts met with uneven success in court it offered a final twist which was of obvious appeal in the Cold War to come if Germany had lost its way it could still be brought back into the Western fold The first comprehensive study of the Nuremberg trials *The Betrayal* thus also explores how history underpins transitional trials as we encounter them in today's courtrooms from Arusha to The Hague [Meat Grinder](#)

Prit Buttar, 2022-10-13 An engrossing history of the desperate battles for the Rzhev Salient a forgotten story brought to life by the harrowing memoirs of German and Russian soldiers The fighting between the German and Russian armies in the

Rzhev Salient during World War II was so grisly so murderous and saw such vast losses that the troops called the campaign The Meat Grinder Though millions of men would fight and die there the Rzhev Salient does not have the name recognition of Leningrad or Moscow It has been largely ignored by Western historians until now In this book Prit Buttar a leading expert on the Eastern Front reveals the depth and depravity of the bitter fighting He details how the region held the promise of a renewed drive on Moscow for the German Army a chance to turn the tide of war Using German and Russian first hand accounts Buttar examines the major offensives launched by the Red Army against the salient all of which were defeated with losses exceeding two million killed wounded or missing until eventually the Germans were forced to evacuate the salient in March 1943 Drawing on the latest research Meat Grinder provides a study of these horrific battles but also examines how the Red Army did learn from its colossal failures and how its timely analysis of these failures helped pave the way for the eventual Soviet victory against Army Group Centre in the summer of 1944 leaving the road to Berlin clear *The Hangman and His Wife* Nancy Dougherty,2022-05-24 An astonishing journey into the heart of Nazi evil a portrait of one of the darkest figures of Hitler s Nazi elite Reinhard Heydrich the designer and executor of the Holocaust chief of the Reich Main Security including the Gestapo interwoven with commentary by his wife Lina from the author s in depth interviews He was called the Hangman of the Gestapo the butcher of Prague with a reputation as a ruthlessly efficient killer He was the head of the SS and the Gestapo second in command to Heinrich Himmler His orders set in motion the Kristallnacht pogrom of 1938 and as the lead planner of Hitler s Final Solution he chaired the Wannsee Conference at which details of the murder of millions of Jews across Nazi occupied Europe were toasted with cognac In *The Hangman and His Wife* Nancy Dougherty and following her death Christopher Lehmann Haupt masterfully explore who Heydrich was and how he came to be and how he came to do what he did We see Heydrich from his rarefied musical family origins and his ugly duckling childhood and adolescence to his sudden flameout as a promising Naval officer he was forced to resign his Naval commission after dishonoring the office corps by having sex with the unmarried daughter of a shipyard director and refusing to marry her Dougherty writes of his seemingly hopeless job prospects as an untrained civilian during Germany s hyperinflation and unemployment and his joining the Nazi party through the attraction to Nazism of his fianc e Lina von Osten and her father along with the rumor shadowing him of a strain of Jewishness inherited from his father s side And we follow Heydrich s meteoric rise through the Nazi high command from SS major to colonel to brigadier general before he was thirty deputy to Heinrich Himmler expanding the SS the Gestapo and developing the Reich s plans for the Jewish solution And throughout we hear the voice of Lina Heydrich who was by his side until his death at the age of thirty eight living inside the Nazi inner circles as she waltzed with Rudolf Hess feuded with Hermann G ring and drank vintage wine with Albert Speer *Survivors* Jadwiga Biskupska,2022-02-17 *Survivors* tells the harrowing story of life in Warsaw under Nazi occupation As the epicenter of Polish resistance Warsaw was subjected to violent persecution the ghettoization of the city s Jewish community the suppression of multiple uprisings and an
